

Sunday School Workers

Did you ever stop to think how much influence a good library has on your School's average attendance? In our many years of experience we have found it to be a larger factor than most people imagine.

Then—wouldn't it be a good thing to replace those soiled, shelf-worn and aged volumes on your Sunday School Library shelves with a selection of bright new volumes which your scholars will want to read?

It is really surprising in this day of remarkable book values what a quantity of excellent books can be purchased for a comparatively small sum.

We have a special Department devoted to Library work and have one of the largest stocks in Canada to select from.

We will be glad to send you, on receipt of a postal card, suggestive catalogues which we believe you will find extremely helpful.

RALPH CONNOR'S New Book ?

The Patrol of the Sun Dance Trail

Is the new novel of the great North-West by Ralph Connor. It tells the story of the life of a Scout in the North-West Mounted Police during the Indian and half-breed rebellion led by Louis Riel. This book will tell the story of the frustration of an Indian uprising which threatened in volume to exceed any former uprising.

Given the wonderful knowledge of his country and the power dramatically to portray character and events, Ralph Connor is sure to produce an amazingly attracting, highly entertaining and picturesque novel.
