THE
Simplex
Printer

Is just what you want—It gives an exact fac-simile of your own hand-writing—one hundred copies can be produced in a few minutes. *Young People's Societies, Pastors, Church Clerks, and Treasurers* use them. *It saves Printers bills*—you do your own printing. *It saves Postage*—a letter written on the "Simplex" goes for one cent. Cheap and durable. It is just what you want for printing programmes and circulars. Descriptive circulars on application.
