WHEAT

WHRAT Keen interest in the wheat situation continues. In the Nouthern States har-till this year's corp is in the number, Crop-conditions on this side the Atlantic drive promise of at least a fair yield and in some places larger than was ex-pected a while ago. The yield in Kanasa a few weeks ago was placed at (3080,00) els. Crop conditions in Chanda have very a few weeks ago was placed at 6,000,000 bushels. It is now placed at 50,000,000 bushels, ch. Orby correct the Gamma and the sever-ports from form of the several several several ports from further place and though re-cent rains have improved things some-what, no large yield is expected. In South good. On the whole it looks as if Europe will need to have a large amount of wheat next winter. The speculative fea-tures of the market continue in the front. There was a bearish tone early toward the end owing to firm cables and reports from Liverpool. There have been some breaks at Winnipe; and Chicago, but as eash wheat is not offering in large quantilies, prices recovered somewhat. but as eash wheat is not offering in large quantities, prices recover somewhat, though the bearish feeling is strong. July wheat is quoted at Chicago at \$1.4%, and September at \$1.0%, and \$1.2%, and \$1.0% at Winnipg respectively. There is not much change in the local situation though the market is not so strong. Dealers here and white outside. On Twronto farrers market fall wheat sells at \$1.30 to \$1.26, and goose wheat at \$1.20 to \$1.25 a bushel. COAPSF GPLINS COARSE GRAINS

COARSE GRAINS The case market is not as strong and protostions. A drop of so to Ske early in the week at Winniper caused a weaker feeling east hough the market recovered somewhat at the end of the week. Then farmers have a little time now and are marketing cats more freely. The indica-tions, therefore, are that the top has been erform this on. At Montreal vestern cats are quoted at dee to fice buth. Eleven years ago a dealer states that he bought off at at 1.0, boints in Ontario at 14e to the abushel, or less than one-third the present price. Dealers here costo Ontario to the outed with mo business doing, on foronto farmers' market cats sell at de to fice trained with the business doing.

HORSE MARKET

There was a much more active call for horses last week than for some time past. At the Horse Exnange, West Toronto, 125 horses were sold at Monday's and Wed-135 horses were sold at Monday's and Wednesday's markets. The quality of the offering was much better than for several weeks past and prices were firm and and an environment of the several result of the several weeks quotations. One carload was shipped to the West and several loss to points in Ontario. Several weeter buyers were on the market. There is some imprively drafts, 8160 to \$315, general purpose, \$450 to \$350, general purpose, \$450 to \$350, severas and was on horses, \$40 to \$3 885 each.

LIVE STOCK

The feature of the cattle market the past week was the advent of grass fed cattle. Receipts of this quality were fair-ly large to begin with and inferior at that. This caused a slump in prices, which that. This caused a slump in prices, which for the poorer grades were considerably lower at the end of the week. Stall fed cattle sold at steady prices all week, and no sales of this quality were reported at lower prices than a week ago. We are no sales of this quality were reported at lower prices than a week ago. We are reaching the season of the year when lower values may be expected and if grass-ers come on the market in large num-bers the present high level of prices can-not be maintained. The local demand for meat begins to full off about this time

meat begins to fall off about this time of the year. The export market held steady all week at about the old prices. At the Union exporters sold at 85.00 and there were a number of sales at 86.35 and 56.40 a cwt. Some nice lots of heifers sold at 86 and top cows were 85.06 a cwt. The bulk of the top price for bulk was 85.25 a cwt. At the city market on Thursday export sterge sold at 85.00 to 86.20; export bulk at 45.75 to 85.5, with one choice bulk selling the have been handled at Toronto this sea-son, and the trade as a whole has been and the trade as a whole has been factory to the producer. The British son, and the trade as a whole has been satisfactory to the producer. The British market continues steady and Lordon cables quote cattle steady at 15/5 to 14/5 a lb for Canadian steers dressed weight

weight. Monday's market at the Union Stock Yards has become a butchers' market, any construction of the stock of the stock of the one of the stock of the stock of the stock On Tuesday there were 60 cars on the market, half of which were exporters. The best butchers sold on that date at 85 25 to 8 a cet. At the city market on Thur-day owing to the run of inferior grams fed evers and heinform sold at 85,10 to 55,50. day owing to the run of inferior grass fed actle, prices were lower. Choice hutchers; stews and huffers sold at \$5,0 to \$5,5, even, Choice hutchers' cover, sold at \$4,55 to \$4,57 to \$4,55 to \$4,5 to \$4,5 to \$4,57 to \$4,57 to \$4,55 to \$4,57 to \$4,57 to \$4,55 to \$4,57 to \$5,57 to \$4,57 to \$5,57 to \$5,

There is an easier feeling in feeders and There is an easier feeing in feeders and stockers, especially for the lighter kinds. On Thursday feeders, 550 to 560 lbs each, held their own fairly well selling at \$4.25 to \$4.75 a cwt. Light stockers were con-iderably lower, those weighing 400 to 700 lbs each selling at \$5 to \$4.75 a cwt. Low-er prices are looked for this week.
