

Tenders Wanted

The Board of Public School Trustees of the Town of Massey, District of Algoma, are willing to receive tenders for the supply of all material and the erection of a Public School Building on site within the precincts of the said town, according to drawings and specifications prepared by Mr. C. F. Burden, Architect, which may be seen, and full particulars obtained on application to the undersigned or the Architect.

The Board do not bind themselves to accept the lowest or any tender, and reserve to themselves the right to accept such tender they may deem fit.

Sealed tenders addressed to the undersigned and marked on the outside "Tenders for School," will be received up till six o'clock p.m. of WEDNESDAY, THE 22ND DAY OF MAY, 1907.

FREDERICK SUMMERBY,
Chairman of Board.

TENDERS

Sealed tenders, marked "Tender for Sewers and Waterworks," and addressed to the Secretary-Treasurer, will be received by the City of Strathcona until 6 p.m. TUESDAY, MAY 28TH, 1907, for the excavation, pipelaying and backfilling of the following sewers and water mains:

- 16,000 lineal feet 8 and 10 inch Sewer Pipe.
 - 16,000 " " " 6 and 8 " Water Mains.
 - 4,000 " " " 6 inch House Drains.
 - 1,800 " " " 8 " Catchbasin "
 - 550 " " " 4 " Hydrant " and 6 inch Water Pipe.
- Building Manholes and Catchbasins.
Setting Hydrants and Valve Boxes.

The City reserves the right to reject any or all tenders. An accepted cheque for ten per cent of the amount of tender must accompany each tender. Plans and specifications may be seen and forms of tender and other information obtained at the City Engineer's office.

GEO. F. DOWNES,
Secretary-Treasurer.
A. J. McLEAN,
City Engineer.
Strathcona, April 26th, 1907.

Tenders Wanted

Sealed tenders, addressed to the undersigned, and endorsed "Tender for Pump," will be received up until twelve o'clock, noon, on MONDAY, THE THIRTEENTH DAY OF MAY, 1907, for furnishing, erecting and connecting complete, including foundations and all other work and materials necessary to the installation in running order of a new pump in the Amherstburg Waterworks, capable of raising water from a depth of 15 feet in the well, and delivering 800 Imperial gallons per minute into a 10 inch main, against a hydraulic pressure of 120 pounds, with a steam boiler pressure not exceeding 80 pounds per square inch, the said pump to be of the latest pattern of its type, and to have all the modern improvements and attachments; said tenders to also include the repairing and placing in perfect working order of the compound, direct acting, duplex pumping engine of the above capacity, now in use in the said waterworks.

The said new pump may be either, and alternative propositions will be received for:—

- First—A compound, direct acting, duplex pump.
- Second—A fly-wheel pump.
- Third—A turbine pump.

No tenders necessarily accepted.
For further particulars apply to

J. H. C. LEGGATT, Town Clerk,
Amherstburg, Ontario.

CITY OF GUELPH Permanent Roadways

Sealed tenders, endorsed "Permanent Roads," will be received by the City Clerk, up to 4 PM, MAY, for the construction of permanent pavement, also storm water drainage and concrete sidewalks in connection therewith.

Plans, specifications, quantities and form of tender can be had at the office of the City Engineer.

Each tender must be accompanied by an accepted cheque or cash deposit for 2 1/2 per cent. of the amount of the tender.

Tenders to state relative prices for the following classes of pavement:

1. Asphalt block.
2. Vitrified brick.
3. Bitulitic.
4. Sheet asphalt.

The lowest or any tender not necessarily accepted.

JAMES G. LINDSAY,
City Engineer.
