**New Riding Comfort
in a Moderate Priced Car**

Just see the Briscoe and ride in it—
learn that you can have low upkeep
cost and at the same time smart
appearance and luxurious riding
qualities.

The first time you drive a Briscoe
you will instantly get that feel of
reserve power, which means your car
is equal to all emergencies. With
that sweet-running engine ready to
give you instant acceleration when-
ever you need it, your Briscoe slips
through traffic tangles—purrs along
park drives—speeds you over the
country roads—in comfort.

It is on severe hill tests that the
Briscoe proves its reserve power. Try
it on a hill with a curve half-way up.
It is here the average car falls down.
Slowed down for the curve, the aver-
age car refuses to "pick up" again
for the final ascent. But note how
the Briscoe takes it—that wonderful
engine of the Briscoe is there with
the spurt; gives you ample res-
ponse to your call for more power,
so that you may finish the long
climb without taking the clutch out
of "high."

Sedan.....	\$1,950	Standard Touring.....	\$1,225
Special Touring.....	1,350	Roadster.....	1,225

All F.O.B. Brockville. Briscoe pays the tax.
