Opportunity to Procure Nitrate of Soda

All farmers know that during the War it was practically im- possible to secure this valuable fertilizer. The Imperial Munitions Board are now in a position to offer a quantity at a reasonable price, and farmers desiring to take advantage of the opportunity are requested to send in their orders at once.

The Nitrate of Soda is stored in Ontario at Brighton, Cobourg, Trenton, Nobel and Sulphide. The price is \$82.00 per net ton in carload lots, f. o. b. cars at shipping point. The Board reserves the option of selecting the shipping point.

In less than car lots the price will be \$9.00 per bag weighing approximately 200 pounds each, minimum shipment five bags.

All orders must be sent to Imperial Munitions Board, 56 Church St., Toronto, and each order must be accompanied by a marked cheque or money order for full amount of the purchase. Cheques and money orders should be made out in favor of Imperial Munitions Board, and must be payable at par in Toronto. In ordering please give full shipping directions including your Post Office address, name of railway and of your nearest railway station. All shipments will be made promptly. Freight charges will be collected on delivery.

Watch next week's issue of this paper for information about the advantages of using Nitrate of Soda as a fertilizer.
