Winners have often been pro-

duced by the help of **Absorbine** Liniment and Leg Wash, as it strengthens the Muscles and Ligaments. Keeps out soreness, prevents fatigue, stops pain, reduces swellings, soothing to a bruise, antiseptic, healing to a cut or laceration, is and has been used by most successful exhibitors and trainers, because **Absorbine** does not blister, remove the hair, stain or stop

horse from work while removing **Capped Hock, Shoe Boil, Swollen Glands, Big Knee, Bruises, Thoroughpin, Bog Spavin, Windpuff, Splint, Curb** or reducing **Bowed Tendon, Thickened Ligaments or Muscles**.

Stops Lameness quickly—Kills pain in a minute. You will find it a money-maker for you in getting all your Horses in better shape for regular work or sale, and you might also make a **prizewinner** by removing some blemish from them with **Absorbine**. Price \$2.00 a bottle at all druggists, or delivered.

GOSSIP.

(Continued from page 1427.)

4-year-old, winner of sixth prize at the above show in a class of 27; he is a right royal horse, with clean, flat bone, nice, springy ankles, and big feet; his winning stamps him as superior in make-up and quality. No. 15 is a gray 3-year-old, that won at the same show fifth prize, in a class of 92; this right good colt must be seen to be appreciated; his grand quality and massive character is all that could be desired. No. 12 is a black 3-year-old, that was sixth at the same show, which speaks for his superior individuality. These are all of this importation that were shown, but in type, smoothness, size, and right nice quality, are typical of the lot. So far as the writer is aware, this is the first time that winners at the la Ferte Show were ever imported to Canada, which means that in these importations, are horses of practically as high a standard of excellence as the breed produces. Certain it is, that among them are horses with underpinning immensely flashy, and that will go over the ton when developed, a class of horses that must become popular among Canadians. Representatives of both these lots will be on exhibition at the Canadian National, Toronto, where admirers and intending purchasers will be made most welcome.

SHOW ABERDEEN-ANGUS.

Surprise awaits the prospective purchaser or fancier of Aberdeen-Angus cattle on visiting the farm and herd of T. B. Broadfoot, of Fergus, Ont. Although one of the youngest breeders of the black Dobbies in Ontario, by excellent judgment in selection of breeding females and stock bulls, he has, in the short time since the founding of his herd, gotten together a herd that for high-class excellence have very few equals. It was a rare bit of judgment that led him to purchase his stock bull, Elm Park Ringleader 6th, winner of second prize at Toronto and London last year; sired by the Toronto champion, Lord Val 2nd, and we look for him to win higher honors this year. He is in proper good shape, and in his three-year-old form weighs 2,225 lbs., and carries his flesh evenly distributed, but his great value is as a sire; every one of his get is put up on show lines. Prominent among the many good breeding females is the great cow, Kyama 11th, weighing 1,800 lbs., and built like a block; she is a noted winner, and will be out again this year. Out of her is a right choice young bull that is put up on show lines, and will make a high-class herd-header. Another choice female is Mayflower, first and junior champion at Toronto last fall; she, too, has a right nice bull calf, and is in proper show shape for this year. Balmiedie Pride won first at London, second at Toronto, and first at the Guelph Winter Show last year, and never looked nearly so well as now. Watch the ribbons in her class at Toronto this fall. Balmiedie Violet is another yearling equally as good, and will make them all go some at Toronto. In the calf classes, the herd will be represented by some very choice things. In young bulls, there are two ready for service, both Mayflowers, and by the stock bull, a right nice pair of show propositions. Look up the exhibit at Toronto Exhibition. Mr. Broadfoot has also a small but well-selected flock of Oxford Down sheep, nicely bred, nicely covered, and true in type. This year's crop of lambs are all for sale.

TRADE TOPIC.

That there is profit in tile ditching has been so often proven to the satisfaction of farmers adopting the system that there can be no reasonable doubt. The long-bear of lack of help to do the necessary work is amply provided for in the Buckeye Traction Ditcher, manufactured by the company advertising the machine in this paper. Here is a good opportunity for a farmer's club or company in a district, or an enterprising thrasher to secure a machine and make it a good investment by contracting to do the work. The machine is said to cut 100 to 150 rods of ditch per day, and save 25 to 50 per cent of the cost of hand work. See the advertisement and send for the catalog.

Executors' Sale

OF

FARM

The executors of the estate of the late **JAMES ST. JOHN, Esq., of Tp. of Brock,** County of Ontario, will receive sealed tenders until

SEPTEMBER 27th, 1910,

when they will be opened, for the sale of that excellent farm property, consisting of E. 1/2 lot 7 and W. 1/2 lot 8, Con. 6.

TOWNSHIP OF BROCK.

The farm, comprising 200 acres, more or less, is situated 1 1/2 miles west of the Village of Sunderland. One hundred and sixty acres are under cultivation, the balance consisting of pasture and a few acres of timber land. The soil is clay loam, of excellent quality. Upon the property there is a handsome modern brick residence, heated by furnace, fitted with bath, etc., and beautifully situated. The stone stabling full size, is one of the best in Brock. There is also a good driving-shed and a large hogery and poultry-house. There is a fine orchard of choice apples, pears, plums, cherries and grapes, with all the small fruits incidental to a good garden. The farm is watered by two wells and a never-failing stream of spring water. At the barn, water is pumped by a windmill, which is also used for power purposes. The manager of the farm will be pleased to show intending purchasers over the property.

A marked cheque for \$300 must accompany each tender as a mark of good faith, said cheque to be returned if tender be not accepted. Possession to plow will be given on the 1st of October, and full possession on 15th of November. The highest or any tender will not necessarily be accepted.

For further conditions of sale and particulars, apply to the undersigned, by whom all tenders will be received.

HY. GLENDINNING, Manilla, Ont.
