NOT ONE SPAVIN THAT CANNOT BE CURED.

We mean this. We are ready to prove it any time. Most severe spavins are not even hard to cure, can often be cured with one 45-minute application of **Fleming's Spavin Cure**. Certain to be cured in time, without injury to the horse, seldom leaves a scar. Equally certain for Ringbone, Splint, Curb, etc. No cost if the remedy fails. Our free book is too important for you to overlook. Send today.

J. F. Sparing, Syracuse, Neb., writes: "I bought a bottle of your Spavin Cure from my druggist. It took the spavin out clean and surprised many, including myself. One can hardly tell which leg the spavin was on."

NO LUMP JAW.
Fleming's Lump Jaw Cure has had many years' test by leading cattlemen of the country, and the fact that it is a certain cure is now conceded by all. One case of lump jaw endangers your herd and pastures. Certain and easy cure with this remedy or no cost. Book for you.

FISTULA AND POLL EVIL
Cured in 15 to 30 days. Few cases have heretofore been cured and then slowly. Now all cases can be quickly cured. The remedy is quick and certain, but harmless and easy to use. Has been tried for two years without a single failure. We have an interesting circular for you.

I Will Cure You of
Rheumatism
No pay until you know it.

After 2,000 experiments, I have learned how to cure rheumatism. Not to turn bony joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever.

I ask for no money. Simply write me a postal and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, pay your druggist \$5.50 for it. If it doesn't, I will pay him myself.

I have no samples. Any medicine that can affect Rheumatism with but a few doses must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of the blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect a penny from you.

Simply write me a postal card or letter. Let me send you an order for the medicine. Take it for a month, for it won't harm you anyway. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells how I do it.

Simply state which book you want and name of your dealer, and address
