

HARNNESS

We give here a full and accurate description of our \$15 single harness. It is manufactured from the best oak-tanned leather, is trimmed with nickel silver or dark mountings, and for value is as good as any ordinary harness maker can make for \$25. Bridle has box loops and patent leather winkers, handsome rosettes, chain brow-band, round winker stays, round check reins. Breast collar is folded, lapped and stitched, with box loops and broad trace buckles; folded neck strap, with connection to check hook on the back band. Tugs are 1 1/2 inch doubled and stitched. Lines, 1 inch. Back band is a very handsome one, having special pattern (turrets of our own design; full padded saddle, with best corrugated leather lining and patent leather top, while under the back band is a handsome, broad patent leather pad trimmed with chain housing. This presents an appearance that for effect and durability is hard to surpass at any price. The belly band is either a double one or (if so ordered by purchaser) a single one, in which case the harness may be driven without breeching, if so desired. The breeching always goes with the harness no matter which belly band is ordered; it is folded, lapped and stitched. Then, with the martingales, crupper and back strap you have a complete harness for only \$15. We will send these harnesses by express, C. O. D., on approval, or when parties send their money in registered letters with their order, and they are not pleased and fully satisfied with the harness when it arrives, we will refund their money, so confident are we that no such value was ever offered before in Canada.

For \$2 we offer the best fruit-tree sprinkler on the market. Send for our catalogue giving full description of our \$16 road carts, etc.

MICA ROOFING

USE
Mica Roofing
On all your Buildings.
It is Cheaper than Shingles.
Water Proof and Fire Proof.

USE
Mica Paint
To Repair Leaky Roofs.
Shingle, Iron or Tin Roofs painted with it will last twice as long.

RAPIDLY TAKING THE PLACE OF SHINGLES.

Is put up in rolls of 108 square feet each, 36 feet long by 3 feet wide, and costs 2 1/2 c. per square foot, thus affording a light, durable and inexpensive roofing suitable for buildings of every description, and can be laid by ordinary workmen. One man will lay ten square in a day, which brings the cost of Mica Roofing about 75c. per square cheaper than shingles. Special terms to dealers who buy our Mica Roofing to sell again. Orders and correspondence answered promptly.

THE DALE PIVOTED LAND ROLLER

(Patented.)

A STEEL ROLLER, THE DRUMS OF WHICH OSCILLATE ON PIVOTS AND ADAPT THEMSELVES TO THE UNEVENNESS OF THE GROUND.

Its points of advantage are too many to enumerate. Some of them are:

The bearings are the only wearing parts and are guaranteed to last from Ten to Fifteen Years, and can be replaced at a nominal cost.

It rolls all the ground, no matter how rough. There is no axle shaft, no strain, and consequently no wear. It is easily tilted between the drums.

THE DEMAND IS STEADILY INCREASING. IT IS UNANIMOUSLY RECOMMENDED BY THOSE FARMERS WHO HAVE USED IT. Orders are now being booked for the fall trade. Description and price furnished on application to.

T. T. COLEMAN, SOLE MANUFACTURER, SEAFORTH.
