

but he constantly passed an hour before it, and then returned. His fidelity at length won upon the porter, and he was one day allowed to enter. The dog saw his master, and it was difficult to separate them, but the gaoler forced him away, and the dog returned to his retreat. He came back the next morning, and every day, once each day, he was admitted. He licked the hand of his friend, looked him in the face, again licked his hand, and went away of himself.

When the day of sentence arrived, notwithstanding the crowd, and the vigilance of the guard, the dog penetrated the hall and crouched himself between the legs of the unhappy man, whom he was about to lose forever. The judges condemned him; he was reconducted to the prison.

The fatal hour arrived, the prison door opened, the unfortunate man passed out; it was his dog that received him at the threshold. He followed him; the axe fell, and the master died; but the tenderness of the dog did not cease. The body was carried away; the dog walked at its side; the earth received it; he laid himself upon the grave, refused nourishment, pined away, and died.

### SUICIDAL DYSPEPSIA

Positively Averted by Using Dodd's Dyspepsia Tablets.

Does Dyspepsia kill? Yes! In thousands of instances Dyspepsia has given the invitation to death.

This may be a startling statement. But it is a true one.

Dyspepsia unchecked causes a melancholy, hopeless feeling. Soon this merges into dark and dreary despondency. Then follows insanity—which is the second stage of despondency.

The invariable tendency of all who suffer from melancholy insanity is to commit suicide. In nine cases out of ten they succeed.

Thus Dyspepsia leads to death.

Now, there's not the least necessity for this. It need not be so, and can be prevented as easily as you can fall asleep. There's no secret about how it is done. Simply use Dodd's Dyspepsia Tablets—one or two after each meal—for a couple of weeks, and the thing is done.

Dodd's Dyspepsia Tablets are a perfectly perfect digestive. They digest the food themselves. They don't need help.

Sometimes Constipation accompanies dyspepsia and indigestion. In each box of Dodd's Dyspepsia Tablets is a supply of smaller tablets that are the most perfect bowel regulators ever made. Taken with Dodd's Dyspepsia Tablets they fit the bowels to perform their duty which is supplementary to the digestive process.

Dodd's Dyspepsia Tablets have never failed, never will fail, cannot fail to cure any case of Indigestion, Dyspepsia or other stomach trouble. They digest the food, strengthen the stomach, and banish dyspepsia and indigestion, naturally and rapidly.

Dodd's Dyspepsia Tablets, each box containing a full double treatment, can be purchased from all druggists, at 50 cents a box, or will be sent, on receipt of the price, by the Dodd's Medicine Co., Limited, Toronto.

## RELIGIOUS ADVERTISING

When special church services are to be held an announcement of the fact from the pulpit will not always secure a large attendance. But posters and circulars assist materially in "filling the house." The more attractive these things are the more they will be read, and we all know what that means. We are highly successful in printing posters that people stop to read.
