

THE CANADIAN GROCER

*"Quality Counts" is our business slogan  
—our goods, our methods, match*

## If Your Store is in the Maritime Provinces—Why not Avail Yourself of Our Specialized Service?

To supply you quickly, conveniently, with just those grocery lines which offer the surest profit in your particular locality—this is what our specialized Maritime Provinces service has made possible.

Years of our close study and experience were necessary to bring this service to its present perfection.

Unusual discrimination was required in our buying, in our manufacturing; equally critical methods had to be established in the filling of orders.

Even in our packing and shipping departments we had to expensively build up a system which would eliminate to the minimum possibilities of the slightest inconvenience to our customers.

Now—long since these methods have justified themselves in increased business—we are proud of our service. We invite you to take profitable advantage of it with your very next grocery order—large or small.

## As Importers, Manufacturers and Wholesale Distributors we are Ready to Serve You—to Your Profit

Everything that you will ever want in the grocery line you can get here from stock in our big warehouses. Some lines we manufacture ourselves; for instance:—

FLAVORING EXTRACTS, COFFEES,  
PURE SPICES, BAKING POWDER,  
ICINGS, LIME JUICE,  
FRUIT SYRUPS, PULVERIZED SUGAR

Other lines we import at the closest possible prices because of our large handling capacity. These lines include:—

MOLASSES, PORK, LARD, RICE,  
DRIED FRUITS, SALT AND PICKLED FISH

Then we are distributors for many prominently reliable brands of readily selling goods:—

"GOLD BOND" CANNED GOODS  
WM. P. HARTLEY'S JAMS and MARMALADES  
LEA'S PICKLES and KETCHUPS  
GOODWILLIE'S FRUITS IN GLASS  
HOLBROOK'S PICKLES AND SAUCES  
"PRIDE OF CANADA" MAPLE GOODS  
SNOWSHOE BRAND RED SALMON

But in every single instance the goods must conform to our high quality standard or they cannot find a place in our stock. So that no matter when or what you buy from us you can feel positive as to quality, even though our quotations are close. If you have an enquiry to make we will gladly reply immediately if you will write us now.
