**THE PRESS CLIPPING  
 BUREAU**

Reads every paper in Canada and clips therefrom all articles  
 of a business or personal nature of interest to subscribers in  
 this department.

Politicians can obtain from it everything the papers say about themselves on any subject  
 in which they are interested. Business men learn of new openings for trade, pointers to sell  
 goods, addresses of people likely to become buyers, tenders wanted, stocks for sale or wanted,  
 reports of new industries or stores, etc.

Terms—45 per hundred clippings; \$20 per thousand, payable in advance; but a yearly  
 contract will be found the most satisfactory.

We have also lists of firms in every branch of trade in the Dominion, the professions, club  
 members, society, etc., and we are prepared to address and mail circulars or letters to them  
 at any time.
