of inspection on "**MARGUERITE**" CIGARS. Size them up from the smoker's standpoint and the non-smoker's. Look at them from both sides of the counter, and if you see any defect in them, we'd like to know what it is.

From our viewpoint, there isn't a cigar in Canada with so many points of perfection as the "**MARGUERITE**" CIGAR. It's the best seller on the market, and there isn't a leaf goes into one of these cigars that we'd hesitate to have you pass judgment on. The good name of this house is staked—not on "**MARGUERITE**" CIGARS in a mass—but on the individual cigar. We won't have one bear our name that isn't all it should be.

Is it time to replenish your stock? Better order a thousand or so now while you think of it. We can send you a small sample order if you like.
