CANADIAN FORESTRY ASSOCIATION CONVENTION.

The next Convention of the Canadian Forestry Association, which is endeavouring to arouse public opinion to the value of forests on lands unsuited to agriculture, will be held at Winnipeg, Man., July 7 to 9. Arrangements for the gathering are well under way. Already the Secretary has received intimation of the attendance of the most prominent forestry experts on both sides of the International line. The problem which are to be discussed will be largely those of the prairie farmers, among whom there has been for some years now, great activity in the planting of shelter belts and woodlots. Other questions, especially those pertaining to the protection of timber lands from fire, will also be dealt with.

Delegates attending the Convention will be able to secure convention rates over the railway and steamship lines, particulars of which can be secured from James Lawler, Secretary, Canadian Forestry Association, Canadian Building, Ottawa.
