**TWO THOUSAND
ARE ON GUARD
BUFFALO**

Mayor Refused to Call Out Troops, and Order was Made by Supreme Court --- Efforts to Settle Strike Fail.

[Canadian Press Despatch]

BUFFALO, April 5.—Two thousand members of the Fourth Brigade of the National Guard, summoned to strike duty on an order from the Supreme Court to put down the disorders arising from the strike of motormen and conductors of the International Railway Company were quartered in the armories here at daybreak. An additional 1,000 men forming the Third Regiment of the brigade and separate companies at Syracuse, Elmira and other western New York cities, were brought to Buffalo. Brigadier General Welsh decided to keep the guard in the armories till the local regiments had assembled and a result officials of the International Railway made no effort to move a car on any line in the city in the early hours of the day. With street traffic entirely suspended, thousands of people walked to work or reached the downtown section by means of meagre facilities, offered by motormen and other improvised methods of transportation.

The appeal of the Supreme Court for an order for military protection was made by the railway officials after frequent demands on Mayor Furman and the Sheriff for such an order had been refused. The mayor maintained that the situation had not reached the acute stage that made the presence of troops necessary. Before issuing the order Justice Brown conferred with the Mayor and Chief of Police Regan by telephone. The Mayor insisted that in his opinion there was no call for the troops, but Chief Regan admitted that the situation was getting beyond his force. Some 300 men, who had been on duty most continuously since the strike was declared on Sunday morning, were called out.

Mayor Furman's efforts to bring about a conference between a committee of the strikers and the railway officials have thus far proved futile. A series of rapid explosions around the city and in the Tonawandas early this morning and the rumor spread that one of the International Railway trestles on the Niagara Falls line for a distance of five miles north of Tonawanda, reported no damage to the tracks or bridges, and no explanation of the mysterious explosion has been secured.

The first details of soldiers were sent out from the armories at eight o'clock. Squads patrolled every block.
