STRIKE IN COAL FIELDS.

By Courier Leased Wire.

Zurich, May 2.—The strike in the Drombowa coal fields, the largest in eastern Russia, according to a Cracow dispatch to The Neue Zuricher Zeitung is the biggest and most serious of any outbreak since the Austrian occupation of Poland. The strike began on April 5 and extended speedily to all the mines in the district. The Austrian authorities took several repressive measures without avail and finally suspended the entire passenger traffic of the territoy.
