

From Neighboring Firesides.

NEWBORO

Mr. Wertel, of Smith's Falls, is manager of the Union Bank here during Mr. Bagshaw's absence in the West. When Mr. Bagshaw returns he will be among the list of Benedict and will reside in Mr. J. T. Gallagher's new residence on Carlton street.

The Newboro hockey club are trying to arrange for a number of exhibition games to be played during February to remove all doubts concerning the championship of the Leeds County Hockey League.

Mr. J. H. Butler was in Brockville on Saturday.

Mr. J. C. Landon, who has been ill for some time, is recovering.

Mr. Ed. Green, a young man about 26 years of age and formerly of this place, was found dead on the road near Bedford Mills. It is supposed that he was killed by his horse and killed. He leaves a wife and a family of small children, who have the sympathy of all their many friends in Newboro.

Miss Myrtle Shaver of Smith's Falls, who has been the guest of Miss Mary McKinn for some time, returned home last week.

A number of our young people were in Westport on Friday evening when a very enjoyable time was spent at the home of Mr. Jas. Dier of that place.

Mr. Earnest Foster of Lansdowne is in charge of Mr. G. S. Wrathall's business at present.

DELTA

Those of our citizens who have been passing through a sick period are progressing favorably.

Owing to the recent storms, our roads are in a deplorable condition and a few of our young men found some difficulty in extracting themselves from the snow banks.

Mrs. Clate C. Copeland has returned home from Maple Ridge where she visited her parents.

Our pastor, Rev. G. H. Williams, was pleasantly greeted on his return home on last evening of the old year in finding his drive way occupied by a heavily loaded team containing the first instalment of a gratuitous donation of about 80 bushels of oats from his parishioners at Chantry and Harlow. The genial teamsters, Mr. J. Chick and O. Pattimore, further surprised their host with a fine driving blanket for his horse, and remembered their hostess with a box of groceries and a sum of money. The people of that section never do things by halves. The year's reports on all the church trustee and Sunday school boards were unusually satisfactory, no indebtedness existing in any form on the circuit, and every department indicating progression. The new year is commenced with gratitude and inspiration. The Rev. John Ferguson of Kingston has been assisting the pastor on the special work for two weeks.

DOCKRILL'S CORNERS

January 22. Ever since New Year's, Mr. Ben Cavanagh has been very ill with typhoid fever. It is hoped that under Dr. Hart's skillful treatment he may recover, but he is very low. His brother is about well from the snash on the arm he received from an axe while felling trees.

Mr. Ezra Earl has treated himself to a new fur coat—heavy as the roads have been.

Mr. John Dockrill's young people had a successful party.

The late storms have put a veto on the wood business.

Mr. Eli Mansell has had a very pleasant visit for some time with his sister and favorite niece, Mrs. and Miss Redmond of Lansdowne station.

Mr. Yates Avery has a new sawing machine. For all the deep snow there will be lots of wood cut here for next summer.

Between the deep snow and his two farms, Mr. Chancy Hayes keeps himself humming. He is a prosperous farmer, and has the finest lot of young Holsteins in this locality.

Mr. Mansen Hayes' new house shows off finely as seen from Union Valley.

The difficulty in hiring a teacher at Dobbs school house has probably been overcome by employing Mr. Jones of Athens.

GREENBUSH

Sawing wood is the order of the day in this section.

J. M. Keeler of Yellow Grass, N. W. T., is visiting his many friends in this vicinity. Mr. Keeler is a Greenbush boy. He was born and spent nearly all his life at Greenbush. Last year he moved to the North-West and engaged in farming, to which place he intends to return and take a carload of horses and implements.

Mr. Carson of Toronto is in Green-

News Budgets by the Reporter's able staff of Correspondents

bush at present, and is preparing to move Mr. Edley's mill from here.

Mr. A. Root has placed a new saw in his sawmill and a new grinder in his gristmill.

Our pastor, Rev. Mr. Burnett, is taking a rest for the good of his health, and we are pleased to learn that his health is much improved.

Although the weather is cold and stormy, the people of Greenbush are having pleasant times during this week. The anniversary of three wedding days have been held, at which the recollections of past times have been cheerfully discussed and pleasant conversation indulged in.

On Tuesday, Mr. A. Root, our enterprising mill owner and proprietor of the Greenbush Novelty Works, drove over to the residence of Mrs. Smith and they drove to Brockville, at which place Mrs. Smith became a charming bride and Mr. Root a happy groom. The Rev. Mr. Visser of George's church tied the nuptial knot. The happy couple have the congratulations of the whole community.

NEW DUBLIN

Much sickness has been in this vicinity, but all are improving having been carefully attended by Dr. Hart.

Nearly every one from here attended the oyster supper, given at Glen Buell by the members of the Methodist church of that place.

Woodcutting is the order of the day, but owing to the deep snow, work goes slowly.

Mr. Byron Cadwell is doing a good business in his saw mill this winter.

Mr. Aaron Sherman made a business trip to Caintown last week.

We have not heard very much about the Lynx box-social. When is it coming?

WASHBURN'S

We are very sorry to report Mr. S. Barnes still very ill. All that medical skill and loving care can do is being done to relieve his suffering, but his condition remains unimproved.

The oldest residents here say that this is the coldest winter they have experienced in sixty years.

The farmers of this part are suffering great inconvenience from the scarcity of water. Some wells are dry, others are very low, and the springs are so low that it is with difficulty that the cattle manage to drink, without taking, at least, a partial bath.

TREVELYAN

The roads are in a bad condition at present, and the farmers who have been fortunate enough to have a good supply of wood on hand can sit by a cheerful fire and sing "In the Good Old Winter Time."

Mrs. George Leeder has been sick for the past few days with an attack of lagrippe.

On account of the bad roads, the congregation in St. Luke's church last Sunday evening was comparatively small.

Miss E. DeWolfe of Junetown spent Sunday with friends in Trevelyan.

Mrs. T. Flood, who has been quite ill for the week, is now on the gain.

The choir from St. James church attended the funeral of the late Mrs. Sullivan, Rockport, on Saturday last. They found the roads in a very bad condition, at times finding it impossible to keep their sleigh right side up.

Messrs. Fredrick and Andy Leeder, who have been visiting friends in Kitley for the past week, have returned to their homes. It is not safe to venture too far from home, until the weather settles.

GLEN BUELL

Mr. and Mrs. Wes, Towns gave an At Home to their many friends last Wednesday evening. A most enjoyable time was spent by all present.

Mr. and Mrs. Bass of Winchester, who have been spending a few days guests at the home of Mr. W. W. returned home on Monday.

We are pleased to report that Mr. Robt. G. Sturgeon is slowly recovering from the serious injuries received some time ago. We hope to see him around again in the near future.

The I.O.F. intend giving their annual supper to their lodge here in a few weeks.

Last Friday evening the young people met to spend a pleasant social evening at the home of Mr. and Mrs. D. J. Forth. Games and other amusements were indulged in during the evening and a bountiful repast was furnished and partaken of by the guests. The event was very enjoyable as any of them many pleasant evenings which Mr. and Mrs. Forth have devoted to their young friends.

Mr. Burnham of Lake street is

engaged in making some extensive improvements and repairs in the cheese factory owned by Mr. Gilroy.

JUNETOWN

The weather still continues to be very stormy and the bad condition of the roads has put a stop to all traffic.

Mr. and Mrs. Richard Henderson, Athens, were the guests of Mr. Jake Herbison on Sunday last.

Mr. J. A. Herbison is doing a rushing business at present, with his new snow-plough.

Miss Booth, Ogdensburg, has been the guest of Miss Marie Purvis for the past week.

Miss Bertha Herbison, who has been visiting friends in Brockville for the past two weeks, returned home last Saturday.

There has been no church in the school house of late, owing to the illness of the preacher.

We are glad to hear that Walter Pitcher, who resides at the home of Mr. Frank Fortane, is progressing favorably, having undergone an operation for appendicitis in Brockville General Hospital.

The Misses Booth and Purvis and Messrs. R. and W. Purvis were the guests of Miss Bertha Herbison one evening last week.

Mr. Joe Warren and bride have settled in their home east of Caintown, which was prepared for them previous to their marriage. "Joe" will be greatly missed among his many friends in Junetown, and the best wishes for a long and happy wedded life are extended to him from all his old friends.

CHANTRY

The many friends of Mrs. W. B. Percival are pleased to see her home again after a five weeks sojourn at the Brockville Hospital.

Miss Kate Derbyshire of Elgin has been visiting Misses Clara and Estella Chant for the past two weeks.

On account of inclement weather and bad roads, the quarterly sacramental services in the Methodist church here, which were to have been held last Sunday, have been postponed until a week from Sunday, Feb. 21.

Miss Ella Argue of Ellenville has been visiting at Jas. Miller's for the past week.

The Phillipsville Hockey team are expected to play the Chantry boys on the rink here next Saturday afternoon.

A Valentine Social, under the auspices of the Epworth League, is to be held at the home of Frank Seed Friday, Feb. 12.

FRANKVILLE

Rev. Mr. Oliver is able to resume his work once more. Quarterly service will be held next Sunday.

Mr. and Mrs. M. Davis have the sympathy of the neighborhood in the loss of their infant son.

There was a large party held Johnston's Hall on Friday, the 5th.

Miss Alice Oliver has gone to Toronto.

The Misses Gallagher have returned from Toronto.

It is reported that Mr. Henry Ireland has taken to himself a better half.

Mr. and Mrs. W. D. Livingston, Miss Ethel Richards, Miss F. Bowman and Mrs. M. Hanton have all been sick but are better at present.

ADDISON

Quite a number are sick because of the severe weather. We are glad to report Miss Eva Brown is improving.

Mrs. Burnett is again among us and is much improved in health.

Dr. Brown is champion of the checker players here.

Mrs. John Murphy is on the gain.

Mr. Ephraim Miller is a happy man—it's a girl.

Mr. and Mrs. Joe Clark of Kingston are guests of Mr. E. Duffield.

Miss Minnie Ferguson is visiting friends in Brockville.

Mrs. S. A. Snider is visiting friends in Athens.

SPORTING NOTES

The High School lost again here last evening to the Brockville Collegiates 5 to 3.

News is negotiating with the managers of Brockville to have Athens—Newboro tie played there. Probably Dr. King would like to play on Newboro ice.

HIGH SCHOOL LOST

Hockey players from Phillipsville, Elgin, Delta, Harlow, etc., going under the name of the Phillipsville team, journeyed to Athens on Thursday afternoon last to try conclusion with the A.H.S. team and won by a score of 3 to 2. The visitor were older and much heavier players than the school aggregation, but the score shows that they were given a close rub by the local team, and only their superior weight won the game.

The teams were: Phillipsville—Goal, Kelly; point,

Warren; cover point, Morrison; rover, Young; centre, Stevens; wings, Jackson, and Greenhorn.

A.H.S.—Goal, Leggett; point, Flood; cover point, DeWolfe; rover, Jones; centre, Lockwood; wings, Lyons and Harvey.

Goal umpires: W. Burt, Phillipsville; G. Pipe, Athens.

Referee—N. Hagerman, Athens.

LEAGUE EXECUTIVE MEETING

A meeting of the Leeds County League executive was held in Newboro on Friday evening last to decide the standing of the clubs etc. The disputed game of January 23, between Athens and Newboro, was declared a tie and was ordered to be played over again on Athens rink. This was the unanimous vote of the executive. Secretary Tett writing to the Recorder on Monday says that it is to be played on neutral ice. That is his ruling, but the general feeling exists here that if one official is going to run the whole thing the league is indeed a "fizzle." This is the standing as made out by the executive:—

	Won	Lost	To Play
Newboro	4	1	1
Westport	4	2	0
Athens	2	3	1
Portland	1	5	0

PARTY AT JUNETOWN

On Monday evening last, Jan. 25, Mr. and Mrs. Joel D. Bigford of Junetown gave a party in honor of Mr. and Mrs. Ed. Shreiber of Michigan.

About forty guests assembled, being friends and relatives of Mr. and Mrs. Shreiber. After all had assembled and spent some time in social conversation, they were then invited to the dining room, by the host, where a very elaborate tea awaited them, which consisted of oysters, pies and cakes, and in fact everything which would entice a person to partake of the dainties. After having done ample justice there, they again moved to the parlor, where an excellent programme awaited them. First class music was furnished by Messrs. Dave Leeder, and Jack Flood, assisted by Miss Bertha Flood at the piano. This was next followed by several songs which were excellently rendered by Mr. Bernard Flood. Everyone being so well pleased with the talent shown so far in the evening's proceeding called on Mr. Jack and Miss Bertha Flood for a song, which was followed by loud encores. But the evening was happily spent and the hour was then getting late, so after all moving their vote of thanks to the kind host and hostess they started for their several homes with the hope that they might be spared to spend many such evenings with Mr. and Mrs. Bigford.

LYNDHURST FAIR

One of the most progressive and successful of Ontario's smaller fairs is that of Rear Leods and Lansdowne. The sun has not always shone on the efforts of the society to give a good exhibition and provide a programme of wholesome amusements, but undimmed by reverses the officers and members have persevered, and last fall had one of the best fairs in the history of the society. At the annual meeting, held in January, a hopeful, optimistic spirit prevailed, and there is every reason to believe that the following board of officers and directors will so manage the affairs of the society that the fair of 1904 will eclipse all predecessors:—

President—Joshua Wiltse, Lyndhurst.
1st Vice Pres.—H. McCordle, Sweet's Corners.
2nd Vice Pres.—Bismark Green, Oak Leaf.
Secretary—Ziba Jackson, Lyndhurst.
Treasurer—C. B. Tallman, Lyndhurst.

Directors—Fred Booth, Morton; F. W. Breese, Lyndhurst; L. A. Dougall, Lyndhurst; R. J. Wood, Lyndhurst; Wm. Johnston, Lyndhurst; Chris Sheffield, Lyndhurst; F. B. Sheffield, Lyndhurst; J. S. Young, Lyndhurst; Thos. Sly, Lyndhurst.

Total receipts last year \$812 44.
Total receipts for 1902 \$708 49.
Last year's increase \$103 95.
Balance cash on hand \$105 73.

A Kingston man was fined \$5 last week for driving without bells.

Nine men were killed and twenty injured in a head-on collision on the C. P. R. near Renfrew on Tuesday.

With a Gentle Hand—ANTI-PILL.

Woman's life is a battle with nerves that sap strength and energy. Shattered nerves aggravate and promote chronic troubles. There is no time in a woman's life Anti-Pill fails to do good.

When the sleep is restless, food causes distress, headache or dizziness, pain in the side or back, indigestion, palpitation, appetite poor, constipated, all tired out, depressed—just one trial of Dr. Leonard's ANTI-PILL will "lighten the burden" that is dragging you down. It begins its work in the stomach from which the blood is fed and the nerves controlled.

ANTI-PILL embraces a new principle. Its effects are different from anything else, and there is no mistaking its wonderful influence. Dr. Leonard has prepared the formula entirely free from the injurious ingredients common to present day Pills, etc. It is the ideal system treatment. Price, 50 cents per box of dealers, or by addressing WILSON-FELS Co., Niagara Falls, Ontario, who will also mail free sample to any address.

MR. DONOVAN'S REPLY

Editor Gananoque Journal.
Dear Mr. Editor,—I have just received copy of your paper dated Wednesday, January 27th, last, and my attention has been called to an editorial headed "Mr. Donovan Mistaken," and in order to place myself correctly before you and the public, you will oblige by publishing the following observations in your next issue:

First, I would say that I did not use the words as given in your article, that "Mr. Taylor was a stock holder in your paper, and is supposed to control it." What I did say was this, "It is reported Mr. Taylor is a stockholder, and has considerable influence over the Journal." Mr. Taylor's reply was, "If he were a stock holder it would be a much better paper." However, Mr. Editor, I accept your explanation regarding this point, and am glad to know that you are in such a flourishing condition and so happily situated. You have my best wishes for continued prosperity.

Regarding the communication I sent you for publication, replying to Mr. Cook's letter, I did think it strange and unfair that you did not publish my letter. If as you say you did not have sufficient time to set up my correspondence in type, the least you could have done, would be to publish a short item stating you had received a letter from me replying to Mr. Cook's letter, and mine would be published later on, or if you did not intend to publish it, you surely should have given my correspondence some little notice by way of reference, that you had received it. The edition containing Mr. Cook's letter was sent to some Conservative non-subscribers in the riding, for the sole purpose of prejudicing my prospects at the Convention no doubt. However, some of these copies fell into the hands of my political friends, and they wrote me about the matter. Mr. Editor, every one prizes the value of free discussion, and there does not exist within the wide range of the British Empire a people who values such to a greater extent than Canadians. Another strange thing, I did not receive my paper as a subscriber this particular week. I then went to the Athens Reporter office, knowing you exchanged papers, and they told me they had not received their exchange that week. So placing all these mishaps together, I concluded some undue influence had been used to prevent my friends and your readers from seeing the other side of the question. Now you admit that you received my letter in good time, therefore I contend that you should have made some mention that you received a reply to Mr. Cook's letter from me.

At the close of your article you say you have written me asking for author of my information, and up to the 27th of January, the day your paper is published, you had not received a reply. This is easily explained. On the 21st of January, next day after the convention at Delta, I left for Hartford, Connecticut and New York, to attend a Convention of Insurance Managers of the Eastern states and Canada, and only returned on the 29th of January, therefore did not receive your letter of 21st January addressed to Athens, until my return, and immediately replied to your letter which no doubt you have received.

Mr. Editor, for ages the British people have stood as a beacon light for the liberty of the Press, and the lightning flash of truth. There is a sacred liberty about the Press, which no influence, no power, nothing but a man's depravity of mind can destroy. We must never retard the progress of knowledge. A Canadian jury should be the most refreshing prospect the eye could look upon, an let us at all times be permitted to bring our evidence before them. The sacred fire of liberty was brought by our forefathers and must not be quenched or trodden down. We must leave an unshackled Press as a legacy to our children. Where the face of justice presents itself to an editor or proprietor of a newspaper, which I claim was my position, and he will not permit free discussion, in conclusion I would only say, he is like an Egyptian mummy, wrapped up in his narrow antique prejudices. Yours sincerely,

A. E. DONOVAN

The scratch of a pin may cause the loss of a limb or even death when blood poisoning results from the injury. All danger of this may be avoided, however, by promptly applying Chamberlain's Pain Balm. It is an antiseptic and unequalled as a quick healing liniment for cuts, bruises and burns. For sale by J. P. Lamb & Son.

With a Gentle Hand—ANTI-PILL.
