WAITING FOR YOU

Down by the shore, where the breezes
will blow,
Fresh from the sea with its ebb and its
flow.
Smelling of oysters and scraps of old
fish,
Fragrant with chowder and other salt
dish
Stands the hotel, and its 'chef, and his
crew
Skinem & Bitem, are waiting for you!Up in the mountains beneath the blue
skv.
Rocks and the eagles and everything
high,
Stunning old pines, and the hemlocks,
and ash,
Six by-teen rooms for the ten-by-six
cash,
Stands the Bird Inn, and I'm telling
you true,
Bleedum & Soakum are waiting for
you.Out on the farm, where the chickens
and ducks
Turn out the eggs with the quacks
and the clucks;
Onions and radishes, limes and corn,
Mother's own pie, and, as sure as
you're born,
Right up to date and quite ready to
"do."
Pickem & Pluckem are waiting for
you.Go where you will for vacation or
sport,
Start away long you will stumble
back short,
Pocketbook empty, but listen and
learn—
Winter is coming and tables will
turn:
Pluckem & Pickem will turn up in
town,
Then we will get them and do them up
brown!

The frequent showers have started

that some of the progressive farmers
have started the plow. It is hoped

A FAIR OF MAGNITUDE

To attempt a description of barely
the new features of the approaching
Central Canada Fair at Ottawa would
require too much of the space of the
newspaper. The inventions and novel-
ties of the year, new ideas in farming,
manufacturing, domestic science, art,
education, in fact every department of
human activity will be represented in
the spacious pavilions, show rooms and
process building of Lansdowne Park.
The visitor is very observant indeed
who grasps the magnitude of this vast
enterprise.

A Prize Contest open to the farmers of Canada

\$3,600 in Cash Prizes for Farmers

READ the conditions of the Prize Contest we are conducting for the farmers of Canada. \$400.00 in prizes will be awarded to each Province. These prizes will be divided into four groups, consisting of:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of barrels of "CANADA" Cement. PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement for the greatest number of purposes. PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with the photograph showing the best of any kind of work done on his farm during 1911 with "CANADA" Cement. PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work (shown by photograph sent in) was done.

Every farmer in Canada is eligible. Therefore, do not be deterred from entering by any feeling that

you would have little chance against your neighbor. For remember, Prizes "C" and "D" have no bearing whatever upon the quantity of cement used. As a matter of fact, your success in this contest will depend to a great extent on your careful reading of our 160-page book, "What the Farmer Can Do With Concrete." In this book—sent free on request to any farmer, full instructions are given as to the uses of concrete, and plans for every kind of farm buildings and farm utility. You'll see the need of this book, whether you are going to try for a prize or not. If you have not got your copy yet, write for it to-night. Simply cut off the attached coupon—or a postcard will do—sign your name and address thereto and mail it to-night.

Please send Circular and Book. Name..... Address.....

YOU CAN DEFY HEADACHE!

Yes you can, with a box of ZUTOO Tablets in your pocket or home. Taken when you feel a headache coming on, one little tablet will ward it off—nip it in the bud. Taken later it will cure the headache in twenty minutes. Why then continue to suffer when a box of ZUTOO will make you headache proof. You would be surprised to know how many people, who never before used a headache remedy, are now using ZUTOO Tablets. Why not you?

MIDWAY OF MARVELS

The directors of the Ottawa exhibition have broadened the scheme of entertainment. That will be evident from announcements later of the famous vaudeville stars, acrobatic troops, etc., that will appear before the grand stand. The inevitable midway will be more sensational and curious than ever. This rollicking feature will be furnished by the Park Booking Circuit of New York, which means that a gorgeous assemblage of the world's freaks and marvels will be at Ottawa.

HOMESEEEKERS' EXCURSIONS

The Grand Trunk Railway has issued a circular authorizing all Agents in Canada to sell Homeseekers' Excursion tickets to points in Western Canada. This is interesting information for those desiring to take advantage of these excursions on certain dates from April to September 1911. The Grand Trunk Route is the most interesting, taking a passenger through the populated centres of Canada, through Chicago, and thence via Duluth, or through Chicago and the twin cities of Minneapolis and St. Paul. Ask Grand Trunk Agents for further particulars.

—It will pay you to write or call at the Reporter office before arranging to attend Business College. We can save you money.

THOUSANDS IN PRIZE MONEY

The fact that \$16,000 in regular prize money and over 100 special premiums, many of them gold medals, have been appropriated for encouragement of the agricultural industry, along approved lines, is just ground for making a special appeal to the farming community in regard to participating in the competitions and attending the Ottawa exhibition. Agriculturists and stock breeders are never so far advanced but they may learn and acquire enthusiasm in their calling by attention to the instructive features, object lessons in many sections devoted to their interest. Prize winning animals will parade daily before the grand stand, and judging will also be carried on where those interested may observe. Competitions and lessons in butter making and the establishment of a splendidly equipped cold storage plant for cheese denote the special attention paid to the dairy industry. The scope of importance of the great fair is best indicated by a perusal of the prize list which may be obtained on application to Secretary Ed McMahon, 26 Sparks street, Ottawa. The premiums are the largest ever offered. Last year 90 per cent of those winning medals, exchangeable for cash, preferred the money. Winners of special prizes will be given similar options this year.
