A SUCCESSFUL CONCERT

The anniversary services of the St. Andrew's Presbyterian Church on the 6th concession, Dover township, were held on Sunday last, when there were large congregations, and the day was pronounced highly satisfactory.

On Monday evening, the annual tea-meeting was held. This was a most successful event. A large number from the city attended, going out on the electric car, and these, added to the large crowds from the vicinity, completely packed the church. The enterprising ladies of church deserve every credit for the excellent tea provided. The program afterwards proved a most interesting and enjoyable feature of the evening. Mr. J. G. Kerr, of this city, acted as chairman, and the concert was provided by the First Presbyterian Church Male Quartet, of this city. It was generally commented upon as being one of the finest programs ever provided to an audience of this kind. It included solos by Miss Berube and Messrs. J. W. Wilson, W. M. Smith and R. W. Angus, recitations by Miss Wright and Miss Lee, quartet selections, and speeches by Rev. Dr. Battieby, of this city, and Rev. Mr. Kay, the pastor of the Dover Church. The New St. Andrew's Church is in a very prosperous condition, for which the congregation and the pastor, Rev. Mr. Kay, are indeed to be highly congratulated.

A JOLLY PARTY

Mr. and Mrs. S. R. Turner, Wellington street east, gave a barrel rack party at the home of Mrs. Turner's parents, Mr. and Mrs. Stephen Keiver, River Road, Harwich, last evening. The evening was spent in vocal and instrumental music, games, etc. A very enjoyable luncheon was served at the conclusion of the evening. The evening was a beautiful one for such an event, and those who were among the party expressed the great pleasure which attended the trip, and were unanimous in carrying a vote of thanks to their generous entertainers. Those who were present were Mr. and Mrs. H. G. Hodges, Mr. and Mrs. Geo. W. Jones, Mrs. W. A. Guntton, Mr. and Mrs. Iyer, Mr. and Mrs. James Gray, Mr. Slynor, Mr. McBride, the Misses Oldershaw, Mrs. Broad, Miss Carrie Bunker, Miss Libby Thorne, Mr. Ferris, Mrs. Evans, and Mrs. Burkle, all of this city, and Miss Mary Corbett, of Florence, and Shaw, of this city.

TECUMSEH MONUMENT

Morpeth Correspondent
Thinks one Should Be Erected Here

Suggests Names of Men who Might Act—Worthy Move

To the Editor of The Planet:

It seems to me a great pity that some steps are not being taken to erect a memorial to Tecumseh, the brave Shawnee. Considering the length of time it requires for the gathering of the "anceurs of war," otherwise the money necessary for the erection of a suitable monument, it would be wise to commence operations at once in order that the one hundredth anniversary of the Battle of the Thames may be fittingly commemorated by the unveiling of a statue similar to the one erected in Brantford to the memory of Tyndenaga of Brant.

There is no place more fitting than Tecumseh Park, Chatham, and if the Chatham people bestir themselves there is no reason why a beautiful monument should not reward their efforts. All it needs is concerted action on the part of your public spirited men—a delegation of two or three in the proper place and at the proper time, and lo, the impossible is accomplished.

Allow me to suggest the calling of a meeting for the appointment of a suitable committee—D. A. Gordon, A. McColg, M. F. P. Phil. Bowser, Judge Bell, Dr. T. K. Holmes, Rev. Mr. Colles, Mr. S. Stephenson, Mr. A. C. Woodward, His Worship the Mayor, and J. Coutts, of Thamesville, are names that occur to me as being likely to lend success to such a scheme. If an historical society could be founded it would possibly be a benefit to the cause. A tablet should by all means mark the battlefield, but let the statue and monument grace the Park of our county town.

Both the Dominion and Provincial Parliaments can be depended on for substantial donations. Our own County Council would never think of turning down an appeal for funds—your City Council would be in the same position, while your business men would shell forth their shekels. The only trouble would be keeping track of the funds.

Very truly,

AUGUSTA D. RICHARDSON.

TOO MANY CRIMINALS

Four prisoners at the county jail were taken to Central Prison Monday morning. They were Prisoners Rayson, Toulouse, Shaw and Smith. The limit at Central is 400, and there are now 410 prisoners in the institution.

RESULT OF A COLD

The death of Percy Alton Grant, son of Mr. and Mrs. John A. Grant, Pitt street, occurred Monday after an illness of over a year.

Deceased was six years, three months and ten days old. He contracted a cold a year ago and never regained strength afterwards. The funeral will be held from the residence of his parents to-day at 2.30 o'clock. Interment will be made in the Maple Leaf cemetery.
