

MANY PEOPLE REPORT BIG GAINS IN WEIGHT

Thousands of Thin, Frail People Restored to Health By Tanlac

Many Remarkable Experiences Told

People in all Ranks of Life Tell What Celebrated Medicine Has Done for Them

One of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statement after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength, after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross street, Little Rock, Ark., whose statement appears below.

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—could not move any part of my body and just lay there in bed or five months, not knowing anything or anybody. I was brought home in October, 1913, and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies

Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station A. Dallas, Texas:

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac, I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. O. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl street, Vicksburg, in speaking of his experience with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty-five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty pounds to one hundred and ten."

"I have just finished my second bottle of Tanlac, have gained twenty-five pounds and feel like a new man."

MRS. CHAS. PEDEN GAINS 27 POUNDS

Was Twice Examined and Told Operation Would be Her Only Hope

I have just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 55 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach stomach, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told I had appendicitis and that an operation would be my only hope."

"I had made all preparations for the operation and called in my sister to tell her good-by, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day, as I returned from the consultation room, I thought of what she said, and as I had heard so much about Tanlac, I decided to try it and got a bottle."

"I never returned for the operation but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once."

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again a new woman."

point of service in this road, having been with the company for thirty-five years."

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years there were times when I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Bass St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Juliaetta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Sammel Ave., Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R.F.D. 2, Ogden, Utah, who gained 25 pounds; W. S. Hukill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Bardett St., Omaha, Neb., who gained 35 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds and many others too numerous to mention.

Tanlac is sold in Hartland by Estey & Curtis Co., Ltd., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., and in Woodstock by E. W. Mait.

"I just feel like going from house to house and telling the people about Tanlac,"—A. J. Livingston, Ashland City, Tenn.

"This is really the first medicine I have taken that does what they say it will do,"—J. P. Holley, Lexington, Ky.

"I would not take one thousand dollars for what this wonderful medicine has done for me,"—Mrs. Mattie Lutes, Lexington, Ky.

Recognition of War Work in Hartland and District

We are pleased to announce to our readers that the splendid achievements of the soldiers, nursing sisters and residents of Hartland and District are going to be given direct and lasting recognition. Canada has a record she may well be proud of. No nation performed more splendid and heroic work in the World War than did our fair Dominion. But we must not lose sight of the fact that every section of our country contributed its quota of the manhood and womanhood which went to make up that great citizen army that has won such undying fame, and many of whom rest in Flanders fields.

Not by any means the least in adding to the glorious record so nobly won has been our own Town of Hartland and the adjacent country. It is only fair and just—indeed it is only right that we receive our full share of the credit.

The fighting men in trench and on battle field; the nursing sisters who went where duty called; the mother at home who gave her boys and girls to the cause; the various fraternal and benevolent societies whose efforts were untiring; all did their bit to win the fight for Democracy. Each and every one of these will now be given a place of honor in the record that is being compiled—a lasting monument to be handed down to posterity.

It is a matter that has been the subject of thought for some time. How best to commemorate the deeds of valor and heroism performed by Canadians. After careful consideration and discussing the whole problem very thoroughly it has been decided that a Memorial Volume will be issued gotten up in such a way that it will be a lasting and enduring memorial, one that will be worthy of and do justice to our soldiers and citizens—and one that may be placed in every home.

The work of producing this worthy record is now under way. Our part in the war will contain full data covering the individual efforts and achievements of our men and women overseas and at home. It will contain a biography of each and every one of our fighting men and nursing sisters, accompanied by a photo-engraving of those noble heroes and heroines. The cost of production is considerable but the cost as well as the effort of production is well worth while.

The wonderful work of the Red Cross and kindred organizations will be dealt with in detail.

Mr. S. L. Lynott, Ed. Carleton

Sentinel has undertaken the work for the district and will deal with the activities at home and for the writing of the interesting stories of the Canucks overseas the services of Lieut. Fred James have been secured. Lieut. James was Official Correspondent to the Ministry Overseas Military Forces of Canada. He holds, we believe, the distinction of being the only War Correspondent at the front who first served as a combatant soldier in the trenches.

We must give credit to the patriotism of the Canadian Associated Publishers of Ottawa and Montreal, who are producing this work, and we feel confident that when their representatives call for your assistance in making up this volume, all information will be gladly given.

In this connection we are pleased to quote the following from the June issue of the VETERAN, the official organ of the G.W.V.A. of Canada, which speaks for itself.

A Book That Will Appeal
The Canadian Associated Publishers have undertaken to produce a war record which will deal with individuals and communities, giving each that personal attention and description necessary to complete a war memorial. No expense or labour is being spared to make this book one which will appeal to every person who served either at home or abroad, during the Great War."
