BUY AT HOME
Our Town Council apparently does not believe in "Buying at Home." For instance, when the time for the printing of the Town Report comes along, they request quotations from publishers in outside counties of the province, notwithstanding the fact that our own town have two up-to-date printing establishments.

However they have ascertained that the work could be done cheaper at home than elsewhere, and consequently the Town Report will be published by one of the local offices. Actions of this kind do not tend to promote Home Industry; very much, and our Town Council should be the last to resort to such tactics. Where are we going and when do we get there?

What To Do For Stomach Trouble

Good Advice From One Who Had Suffered Much

Nine-tenths of all forms of indigestion or so-called stomach trouble are not due to the condition of the stomach at all, but are caused by other influences. The great contributing cause of indigestion is thin blood. Good blood and plenty of it, is required by the stomach to take care of the food. If the blood is thin the stomach functions sluggishly, food is undigested, gas forms and causes pain in various parts of the body. Instead of getting nourishment from the blood the system gets poison.

Relief from this condition can be obtained by the tonic treatment which Mr. D. Shaw, Mt. Stewart, P. E. I., tried and now warmly recommends to others. Mr. Shaw says: "I suffered from indigestion for over four years, and have tried many of the well-known remedies for such troubles, but never obtained more than temporary relief. The trouble was aggravated by constipation setting in owing to the stomach failing to do its work, and laxatives only gave relief to the bowels and left the stomach in worse condition. The result was my blood was growing more and more anaemic, I did not sleep well at night and was growing despondent. I was in this wretched condition when a friend advised me to try Dr. Williams' Pink Pills. I got three boxes and by the time they were finished there was some change for the better. This greatly encouraged me and I continued taking the pills for some three months, by which time my stomach was all right again, my blood good, nerves strong and life was again worth living. My advice to all who suffer from stomach trouble is to give Dr. Williams' Pink Pills a fair trial."
Dr. Williams' Pink Pills can be obtained through any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
