Leoburn.

SNOW STORM.—The recent snow storm swept upon us with a vengeance. At the school in section No. 5, only 15 scholars answered to their names. The wire fences proved a great benefit in the way of hindering great drifts. At one place, where no wire fences had been put up, a sleigh left on the roadside could not be found in the morning, until a vigorous search with a shovel discovered it completely covered up. The thermometer did not range very low, although the wind was piercingly cold.

COMMUNION SERVICE.—On Sunday last the sacrament of the Lord's supper was dispensed in the Presbyterian church here by Rev. John A. Turnbull, B. A. At the invitation of the pastor, a number of members of other congregations partook of the communion. The preacher delivered a very impressive discourse from Psalm 119:94. The choir sang some hymns very beautifully. The pastor, in his closing remarks urged upon parents to make the day one of special beginning, to teach their children God's precepts, and to cast away all evil thoughts. They should remember that they were God's soldiers, in an army in which there were no substitutes for service. Each had a work to do, and that work should be marked by kind deeds and words. In that way the unconverted could be shown that it was a happy thing to fulfil God's wishes. Those who watched them might one day seek to accompany them in their heavenly march following in the footsteps of Him who gave himself a ransom for many.

TEA MEETING.—The annual tea meeting in connection with Leoburn Presbyterian church will be held in the church on Wednesday evening next. Addresses will be delivered by several well known speakers. There will also be good music and refreshment. Tickets 25 cents. Tea at 7; speaking begins at 8 p. m. WEBSTER BROWN.

NEEDED.—The cedar posts are on the ground to be used in building a railing for the bridge over the burn. Perhaps the recent accident at Sand's Hill has waked up the township fathers to attend to this long neglected need.

Mr. A. Hodge has sold out his interest in the saw mill here to Mr. Neibergall, and will we understand, remove to Montreal.

THE "BLIZZARD."—The weather was on a regular "tear" last week. It started on Wednesday night and kept right on until Friday morning. The change was so sudden that one of our jolly bachelors nearly lost his way home from home. It took two hours for several men to clear off the snow in front of the smithy. On Saturday morning it was found necessary to cut through a 15 feet drift not far from the Exchange Hotel. Mr. Case Allen with a horse and implement, undertook the job, ably assisted by the market clerk, and a young ensign from Goderich superintended the job. Where wire fences had been erected there were but little drifts, and they have been demonstrated a success as a preventive of ugly drifts; but the great hills of snow were to be found between board fences.

VICTORY AGAIN.—This year we have again beaten our thriving Leoburn farmers in the yield to the acre. Fall wheat has yielded so high as 47 bushels to the acre; oats 67 bushels; barley 25 bushels of a half acre, the average being 20 bushels; spring wheat 30 bushels; peas 20 bushels. (Here our Leoburn cousins are ahead of us). In roots our Yorkshire man had a superior crop. Mustard and thistles were well taken out in June, but our cousins neglected this, and several of our farmers who helped them to thrash were nearly smothered. Strangers who pass this way compliment us on our clean farms. Mr. Armstrong will devote himself to the cultivation of the hills of the soil are going heavily into roots, and will take the shine out of Leoburn altogether in that line. The potato crop is good. From two bags of Fairbank's seedling, Mr. Quaid had over sixty bushels.

The Sacrament of the Lords supper is to be dispensed in Knox church here on the first Sabbath in January.

There will be a tea-meeting in the C. M. church here in connection with the Sabbath School on the 18th inst.

The Rev. Mr. Edwards of Holmesville is expected to preach in the C. M. Church here on Sabbath morning next.

The eldest son of Mrs. Beer of the Hullett base line, was taken down last week with scarlet fever. Dr. Macdonald was called in, and under his skillful treatment he is now getting better.

Mr. John Robertson has purchased the farm of Mr. C. W. Old on the 6th con. Colborne, containing 10 1/2 acres, for the sum of \$4,500.

Mr. A. Akam has returned from Michigan, he is well pleased with the country and has purchased a bush farm intending to remove there in March.

Mrs. John Ferguson, accompanied by her mother, Mrs. Case, and Miss Martha Ferguson, started for Iowa, on Tuesday last.

ACCIDENT.—Mr. Wm. Robinson, of the 3rd con. of East Wawanosh, met with a painful accident on Tuesday of last week. He was assisting at the threshing and was working on the straw stack, when stepping on some loose straw he fell a distance of some 10 or 12 feet, breaking his collar bone and several ribs.

Colborne.

HYMENEAL.—Mr. James Stirling, who has taken up land in Dakota, has generally spent the winter with his parents, on Butternut Row. Twice he has come alone, but his third journey was made pleasant by enlisting in the Benedict army, and bringing his bride along with him. May their life be a right happy one.

HOME, SWEET HOME.—Once more our sailor kings have returned to the bosom of their families. Capt. W. Bogie now sits by his fireside at Sheppardton, enjoying the winter evenings by relating thrilling tales of the vasty deep, and Canada's great lakes. Capt. James Bogie, in his family chair, on the corner of Commercial Road and Bull Run Avenue, also spins yarns by the hour, taken from his 31 years of sailing on our inland seas. Time and the lake breezes have not affected their jovial spirits; and having worked in summer and faced dangers many, they now rest in winter and dwell upon old and seafaring memories.

Clinton.

One day last week Mr. Biddlecombe, the jeweller, lost a pocket book containing between \$200 and \$300, and advertised a reward of \$25 for the finder. Mrs. Biddlecombe was the lucky person, and will doubtless appear soon in a new set of furs.

RINGING THE FIRE ALARM.—A young boy by the name of George Kitt was up before the mayor, last Monday evening for unlawfully ringing the fire alarm, he pleaded guilty to the charge and was fined \$1.00 and \$2.75 costs to be paid this week or in default 5 days in Goderich jail.

Benmillar.

Tea will be served from 4.30 to 7.30 p. m., after which speeches, music, etc., will be the order of the evening. On Friday evening a social will be given to the S. S. scholars, when an excellent entertainment is promised. For particulars see posters.
