"THIS FREEDOM."

natural, so human, that it is impossible for the reader to remain unthe characters which Mr. Hutchinson has so ably drawn, do not live.

"The Scarlet Pimpernel Again." Of all characters in fiction, there is none so popular as the Scarlet Pimpernel, that heroic Englishman who risked his life so often in saving unfortunate victims of the French Revolutionary Tribunal from the Guillotine, and whom the Baroness Orczy has immortalized in many thrilling tales. In "The Triumph of the Scarlet Pimpernel," which I have received downfall of the tyrant Roberspierre.

In this book, we meet again Chauvelin, whose one ambition is to bring about the capture of the mysterious Englishman who has so frequently made a fool of him, while Marguerite Blakeney, the Scarlet Pimpernel's beautiful wife also plays a prominent part. There is not a dull page in this book, which is just the thing for holiday reading.

In little more than a half hour and pathos, and above all, is so the two buildings were completely consumed, with not even the chimneys left standing. Hundreds of people moved, or to think for a moment that from the city witnessed the blaze being attracted by the flames and smoke which could be seen for miles. Mr. Dooley, as far as can be yearned, carried little or no insurance, and the loss is estimbated at about \$7,000. His harness, sleigh, slides and cart as well a farming implements were all consumed with the barn. There is general sympathy felt for the stricken family who were so suddenly rendered homeless. As to how the barn caught is not known but it might have been a spark from the chimney, as when lighting the fire at tea time from Dicks and Co., we read of the only wood was used and this may account for the disastrous blaze.

BARN DESTROYED-FIRE ON TOR-BAY ROAD.

A splendid barn, owned by Richard Druken, Lake Farm. on the Torbay Road, was razed to the ground shortiv before 8 o'clock last evening. Practically all its contents were saved. Scarcely had the fire consumed the Dooley homestead on the Logy Bay Road, when the hundreds who were at the scene were attracted by dense volumes of smoke appearing about a mile distant. Motor cars, vehicles of all kinds immediately set out in the contains the story of the paper, and direction. On arrival at the Druken includes a review of Canadian history Farm the barn was one mast of flame century. The paper, which by the pouring water over the dwelling to absorption of other journals, and by save it from destruction. The house of neighbours who were quickly attracted, the cows, poultry and other live stock were driven out and the work of removing the vehicles begun. Some of these were scorched before being removed, so quickly did the fire spread. In less than twenty minutes the building was a mass of smoking
