London Quotters Defeat the Sarnia Players—Chatham Defeats the L. C. C. Team—Sporting News in General.

The morning attendance was slim, owing to the big counter attraction of the hoist-ing of the flag, and those who went had ing of the hag, and those who went had presented to them a somewhat lame and altogether one-sided contest, in which Stein, of the Hyphens, was hit scarcely at all, while Porter, who has been hitherto doing good work, was pounded badly in two innings—the third and fifth—four hits being bunched in the former and six in the latter. London made a run in the first inning. bunched in the former and six in the latter.
London made a run in the first inning through Hiland getting a base on balls, stealing second and scoring on Friel's single. Saginaw-Bay City started its work of detruction in the third, when Stein got his case on balls and hits by Hamilton, West, Doyle and Nichol were responsible for four runs. Again in the fifth Porter failed to puzzle, Hamilton made a single, Doyle, Shepherd and Battin did likewise, and Nichol and Arundol made two beggers, which, being coupled with the only error of the game (made by Leighton) made four more runs tally. London failed to hit, and London's pitcher was pounded freely. The score:

MONSTER **CLEARING**

POWELL, ALLEN & BRICKENDEN'S, THE GREAT KID GLOVE HOUSE

This has been a busy week with us. Crowds of customers are visiting our store and buying largely from the wonderful bargains offered. Our customers and citizens of London, and those coming from surrounding towns, should keep in mind that we have gone through our stock and marked down the prices to such a low point that we defy any drygoods house in London to equal our prices. Don't forget that everything down to the value of 10c. has been reduced. No hieroglyphics used in marking our goods, but every article is marked in plain figures, so all can see what they are doing.

We wish everybody to remember that we have imported the bulk of our magnificent stock and personally selected it in the British markets, and now are determined to force the sale of the greater bulk of the stock, which is very much larger than we can afford to carry, amounting in value to something over

\$50,000 00

N.B.—We respectfully urge all who have \$1 to expend in purchasing drygoods to come and see for themselves, as we will be more than delighted to show everybody through our stock, as we know an inspection will convince all and amaze everybody how such elegant goods can be sold at such low

BETGLE AGES AT PETROLEA.

FETROLEA, July 2.—The races here yesterday were one of the leading features in the Dominion Day sports. A large number of London 'eyclers were in attendance, and succeeded in taking their share of the prizes.
