### Bowel Troubles .

Liver pills, cathartics, mineral waters, often make Constipation worse. They merely irritate the bowels and force them to move—stop taking purgatives and the bowels become "tight" again.

"Fruit-a-tibes" are the one certain cure for Constipation

because their action is upon the liver, "Fruit-a-tives" a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a-box — \$2.50 for 6 boxes. Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Poetitively, not one weak heart in a hundred is, in it self, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must heve, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and alling Hearts. Dr. Shoop first sought the cause of all this painth, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this converted to these weak and wasting nerve centers. It builds; it is strengthen; it offers real, genutine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves—re-establish them as needed, with
