This is the game of games for summer, as it employs both skill and art. Further than this, though, you require the best of facilities in order the make any kind of a score, and as Slozurgon's Rackets and supplies are considered the most suitable and durable you would act wise by getting these from H. There will be a jolly lot of Wanderers' bicyclists at the special "closed" run at 7.30 to-night, as all members going to Hamilton on July 1 will be present in uniform. The bugle band, which has been added to and improved recently, will accompany the wheelmen.

Young Canadians Defeat Maitlands. An interesting game of lacrosse took place on Saturday on the cricket grounds, Bloor-street Maitlands of the Junior Amateur League. On account of it being very late before the game started it was agreed to play only an hour and a half. The Young Canadians secured the first game after 29 minutes' play, Walker being the scorer. The second game also went to the Canadians after 29 minutes' hard play, Drury being the scorer. During the remaining time neither side scored. This expression, heard so frequently, is used only by those consumers, who at cigar stores, hotels and restaurants, simply say; "Give me a cigar." Those smokers who ask for an "E! Padre," "Made e Hijo," "La Cadena," "La Flora," "Cable" or "Mungo," and insist upon having the brand they ask for do not have occasion to use the expression: "It is difficult to obtain a good cigar."

American Association: Washington 7, Balti-The consumer who permits dealers and others to hand him any brand they choose has himself to blame if he is dissatisfied with his purchase.

It is Human Nature for business men to push the sale of goods that pay the largest profit.

There are some dealers who decry our brands, more especially the "La Cadena" and "La Flora" (the Cream of the Havana Crop), solely on account of their desire to push the sale of inferior goods and private brands that pay a larger profit.

If the same attention is given to the purchase of cigars as to wearing apparel, the complaints that are frequently heard would soon cease to exist. We Manufacture Only the High-

est Grades of Cigars. We are not cheap cigar manufacturers.
We aim to give the best of quality consistent

then it's becoming well-known, our medium

same prices as the common third-rate goods

We're an established firm. Our "goods

as olong as the head of it exists.

And our offerings to-morrow will be another proof of it.

so long as the head of it exists.

And our offerings to-morrow will be another proof of it.

Take a glance at that beautiful range of Delaines, the styles, the effects, and selling at 25c and 37½c a yard.

Don't that give you a personal interest in them? "Yes," values and prices draw the purchasing public to us, and the same values run all over the warehouse.

Take that dazzling line of "Prints" at 6½c, 9c and 12½c yard. (We mentioned them only a few days ago), they're nearly all gone, if you want to see any of them better come early and make your choice.

And also ask to see the "Indigo and Gold" effects and the Indigo Cloths with white Polka dots, (they're novelties), and as for Sateens they'd bewilder any paper to describe their richness, effectiveness and beauty, and selling at the modest price of 29c and 23½c yard. ("You'll never, we'll never, we believe, look upon their like again at the price.")

EF Your own interests are involved, in your bearing in mind—"our announcement "—of values in "HOUSEFURNISH-INGS," "Lace Curtains," "Sheetings," together with all Factory and White Cottons for a few days more at close "Mill Prices."

A very IMPORTANT ANNOUNCEMENT ANNOUNCEMENT. A very IMPORTANT ANNOUNCEMENT is the enviable position we still hold in our "SILKS and DRESS GOODS" department.

We announced our buyer's ability and foresight secured for "repeats" of all the new and scarce colorings and tints in the most fashionable cloths of the season, viz.;

The 46-in. "HENRIETTAS" cloths and the favorite "German dosse CASHMERES," and selling at 45c, 55c and 69c yard (values unequalled), and colorings bear repetition, viz., Light Blue, Amazon, Heliotrope, Silver Grey, Cream, Faum, &c., &c. (not to be had elsewhere, in complete range.)
