DIOCESE OF TORONTO.

MISSION FUND COLLECTION.

The quarterly collection to be taken up in the month of July is for the Mission Fund. By referring to the statement contained in the Annual Report, and published in this number, it will be seen that there is at present a balance against the Fund, and as payments have to be met in July, it is hoped the cause will be earnestly advocated and the amounts collected promptly remitted.

REPORTS.

Lists of subscribers have been received from certain parishes for publication in the Annual Report, but unless within a few days orders are received for copies of the Report, to be paid for, those lists will be excluded. The Report is now in the publisher's hands, and before the first eight pages are struck off, it is necessary that the number of copies which will be required be made known.

THOMAS SMITH KENNEDY.

In consequence of our desire to give as full an account as possible of the proceedings of the Church Society, and the Bishop's charge, we have been obliged to delay issuing this number

WELLAND, C. W., June 15th, 1860.

To the Editor of the Ecclesiastical Gazette.

DEAR SIR.—At our adjourned Easter meeting, held on the 4th inst., the following resolution having been adopted unanimously, you will oblige me by giving it insertion.

I am, Dear Sir,

Yours very truly,

JOHN STANNAGE.

"That the thanks of this parish be given to those friends in England and at a distance, who have helped the Rev. John Stannage to erect a church in Welland for the free accommodation of the Episcopal Church, and to be used as a school-room or lecture-room, whenever we are able to build a larger edifice."

MEETING OF THE CHURCH SOCIETY.

On Wednesday, June 13th, immediately on the conclusion of Divine Service, a meeting of the incorporated members of the Church Society of the Diocese of Toronto was held at the St. James' school-house.

The amount invested in behalf of this Fund appears by last year's Report to have been £8546 16s. 9d., but from this must be deducted the sum of £1066 0s. 8d., the amount of investments handed over to the Huron Diocese; this would leave the amount invested at the close of last year £7480 16s. 1d.

In January, 1860, the General Purpose Fund was indebted to the Widow and Orphans' Fund, to the amount of \$4012.52.

For the last 7 years ending April, 1859, the Clergymen's subscriptions have been passed direct to the credit of the Widow and Orphans' Fund, instead of (as the by-law directs) only being transferred when the General Purpose Fund was in a position to admit of it, inasmuch as this was never the case during said 7 years, if the Widows and Orphans' Fund pay back the \$5 for each Clergyman's subscription to the General Purpose Fund, taking the number of Clergy as
