

**TO BE PUBLISHED**

As soon as a sufficient number of Subscribers shall offer,

A NEW SELECTION OF

**CHURCH MUSIC,**

to be called

**THE HARMONICON.**

UNDER the impression that a work of the above sort, was much wanted in these colonies, the Subscriber issued a prospectus, in 1831. The work he then proposed publishing, was to contain about 350 pages, and to cost 7s. 6d. each copy; but finding the general opinion to be that the size was too large and expensive, he has now resolved to publish the HARMONICON in about 250 pages, and at the reduced price of 6s. each copy; and having imported a Fount of Music Type, thus removing the difficulties which formerly stood in his way of getting it printed in the Province, he is now enabled to assure those friendly to the proposed work, that the printing will positively be commenced as soon as 300 Subscribers shall offer.

The Subscriber being desirous of making the HARMONICON as extensively useful as possible, requests all those who are interested in its appearance, to send him a list of the Tunes they would wish to appear in it, and state the collection from which the selection is made; and, as no agents will be appointed, he farther requests the friendly offices of such individuals, in taking lists of subscriber's names in their respective places of abode, and forwarding these to him (post paid) with the least possible delay; and for every 12 subscribers, guaranteed by such Correspondent (if responsible) one copy will be given gratis.

A further allowance will be made to the trade, whose friendly co-operation is hereby respectfully solicited.

JAMES DAWSON.
