## ST. JOHN'S CHURCH.

The Annual Missionary Meeting of St. John's Church, was held on Sunday, January 28. In the morning Rev. J. Robinson gave a graphic account of his arduous work at Combermere, a parish that has hardly any bounds but the physical energy of the clergyman. Two churches and seven regular stations but faintly picture the numerous places where occasional services are held. A supply of prayer books and hymn books was sent in to him before he left town. In the evening both Rev. Mr. Robertson and Rev. G. J. Low of Almonte, earnestly pleaded the cause of missions in our own diocese, and the result was considerably in excess of last year.

In the afternoon Mr. Robinson gave an address at Anglese Square.

The Anglesea Square Sunday School has about ninety pupils in attendance. The Christmas tree and festival was a great success, thanks to the liberalities of friends. The energetic superintendent Mr. Geo. Fitzpatrick was presented with a handsome fur cap, as a mark of appreciation for his zeal.

The Rev. H. Pollard had arranged to take the missionary meetings at Plantagenet, Vankleek Hill and Hawkesbury, but the heavy snow storm blocked the road, so that meetings could only be held in the last two parishes.

The Rev. J. Halliwell, of Vankleek Hill, has had a stroke of paralysis following an attack of La Grippe, and it will be a very long time before he is able to resume his duties.

## ST. MATTHIAS—HINTONBURGH.

The Christmas tree festivities of the Sunday School of St. Matthias, Hintonburgh, were held in the Hintonburgh Town Hall, on Monday evening, Jan. 8th. Tea was served at 6.30 p.m., and after the children had fared most sumptuously, the parents began to drop into the Hall, and it was soon well filled. A short programme of songs, etc., was then carried out, and then came the chief feature of the evening, the distribution by Santa Claus (Mr. Wm. Howard of Ottawa) of the gifts hung upon and piled beside the large, gorgeous, and heavily laden Xmas tree. In addition to these gifts, prizes were given to the pupils taking the
