

READY MONEY

A cash surplus placed where it can be got at easily should form a part of every man's property.

It is a safe-guard for investments—a fund to tide the owner over a bad year, when without it he might be forced to sell valuable property at a sacrifice.

In our Savings Department your surplus cash earns interest.

Binder Twine Co-operation

8,000 Farmer Shareholders

If Stars and Stripes outrun this farmer's binder twine co-operative bicycle, or corral binder twine, agricultural implements and fibre, as they have in the United States, the game's up. We are the last that's left of 'll the family. Uncle Sam would then control the binder twine market of this continent. He is a good citizen when he comes as a settler into our Northwest, not, however, as a co-operative smasher. The Canadian farmers will do well to observe the motto, "what we have we'll hold," in the interests of our homes and children, while in this great Dominion we have one of the grandest countries God ever gave to any people. Surely it's worth taking care of. The man that fights well for his own, if occasion requires, can stand safely with the enemy in the gate. It will pay you to be everlastingly loyal to the Grain Growers' Associations, the Dominion Grange and this Farmers' Binder Twine Company at Brantford.
