## Gold Mining on a New Plan

DIRECT CO-OPERATION.

This Corporation is organized on the basis of true **co-operation**, bringing the shareholder and the prospector into **immediate relations on a proper business basis**. We offer to supply the **actual working expenses** for a controlling interest. **The prospector supplies the claim** and we **divide the profits**. If a claim is of doubtful value he wants spot cash. If it is a **good one our plan suits him best** and also **suits our shareholders best**.

All shares are treasury shares, giving each shareholder an equal chance, excepting that those who buy **now** get their shares for less than those who wait till price goes up.

Present Price of Shares 15c.
