

Wyeth's Beef Iron and Wine.

Extract of Beef, Citrate of Iron, and Sherry Wine.

CAUTION.

WE have reason to believe that Wyeth's Beef, Iron and Wine is being imitated by some (not over scrupulous) Druggists of the Dominion of Canada. In some cases the imitations are put up in bottles similar to Wyeth's in style and appearance, having their labels copied verbatim, omitting only their name, so that the purchasers might readily be deceived. It therefore becomes necessary for us to "caution" you, in ordering Beef, Iron and Wine, to be particular in specifying WYETH'S make, and in seeing that you get the genuine article made by them.

This caution is also very necessary when buying Beef, Iron and Wine in smaller quantities than the original bottles, as we know other inferior makes are often substituted for their genuine article.

Messrs. Wyeth & Bro. claim that the reputation of this medicine was created by their preparation, and we believe it is the one exclusively prescribed by our leading physicians.

In ordering please specify "WYETH'S."
