

# Battle Creek Sanitarium Health Foods.

## GRANOSE.

The queen of health foods for indigestion and constipation. A wheat preparation in the form of thin translucent flakes. Crisp, delicate, delicious.

**GRANOLA.**—A combination of the grains so prepared as to retain all their nutrient qualities.

**CARAMEL CEREAL.**—A delightful beverage prepared from pure cereals. As satisfying as tea or coffee, and uninjurious to those who cannot use the latter.

**NUT PREPARATIONS**—Bromose, Nuttose, Ambrosia, Nut Butter, etc.—New, unique and positively pure.

Physicians who have not had an opportunity to test these nut products are respectfully requested to send for samples, which will be furnished free of cost.
