FARMERS' Free Winter Courses IN AGRICULTURE

... AT THE ...

Ontario Agricultural College

GUELPH, - CANADA.

Stock and Seed Judging, January 11 to 22, 1910.

Poultry Raising, January 11 to February 10, 1910.

Fruit Growing, January 25 to February 5, 1910.

Dairying, January 3 to March 25, 1910.

We believe the work furnished during the coming winter will be more practical and popular than at any previous session. We invite all men, young and old, who are interested in any branch of Agriculture to ask for further information concerning these Courses.

An Illustrated Calendar will be sent free upon application to
