G. and the McK. won't forget their friend either. We are sorry to state that the Hon. M. P. P. who represented them as long as vacated his seat. The Star has some friends up there.

The Star compliments the energetic chief of the Fire Brigade Leon Lemieux also M. Coleman on their work at McCorkell's bakery on Friday night. The men worked well and the boots were plenty.

Dear Star.

I am sure you will be delighted to hear that your old friends in Sillery Cove has formed a Total Abstinence Society of course it is quite young at present but I hope in a short time to be able to give you a good account of it I will merely give you the names of the officers, you will be able to judge then, if it wont go ahead M. Wm. M. has given up keeping tavern.

The Editor of the "Star" is an early riser and wonders why he does not meet some brass coat and blue button boys when he goes out in the morning to get his morning bitters Capt. Jack has an eye on them and so has the "Star"

An Irish habitant fight came off at the corner of Queen and Grant st. between two cousins the champion was M. P. W. assisted by the kicker B. John K. acted as bottle holder for G. W. M. D. son for his relative, Simon P. put an end to the combat owing to his authority as a magistrate. But for the kind interference of two members of the cackling club the result might be serious and also two officials mail carriers from Laval and Lake Beauport Mick Y. Simmin's trout inspector Dissolved partnership.

Michael C. was loafing round Windsor some time ago dont know where he has gone to the varieties in Bay City with John C. of Quebec and John K.

STREET CLEARING.

We see by the Chronicle that the streets have to be cleared of snow and ice by the 1st of May. Who is responsible for that piece of street opposite the Quern's wood-yard which has not been cleared this winter and is a disgrace. Justice should be even handed, not to fine a poor man for the same offense they go clear off.

Ed. Star.

A little sheet published in the french language in St. Rochs by a musician gives one of our most esteemed citizens a cutting up we mean our respected friend Dr. Rousseau who never was hard on a poor man and never took the power of the law to secur his payments or rents.

Draw it Mild.

During the storm of last week the big pine tree opposite Mike's residence in Stoneham was blown down. The residents of the whole parish assembled and held an inquest. Moved by Mr. Corrigan and seconded by M. Wright that the funeral be attended by all the natives. It was proposed last summer by his big brother in town to hoist the green flag on it, but Mike wouldn't stand it Mr. W. will officiate at the burial service. The musical portion will be furnished by M. S. We expect some of our Quebec city folk will attend.

A Stoneham friend.
