I have recently enlarged and extended my Factory. It is now fully equipped with new and modern shoe machinery in complete working order. With the assistance of first-class superintendence, the best workmen, and good materials, I am now producing a large variety of all the leading lines of BOOTS AND SHOES equal to any made in Canada. My travellers are now on the road, and will call with complete lines of samples. My patrons and the shoe trade will best serve their own interest by withholding orders for the spring until my travellers call or until they can visit my warehouse and examine my stock.
