A LARGE WAIST

Is not generally considered a necessary ad-
 junct to the grace, beauty or symmetry of the
 womanly form. Within the body, however,
 is a great waste made necessary according to
 the condition of things—continually in pro-
 cess and requiring the perfect action of all
 bodily functions to absorb or dispel the
 refuse. When there is irregularity or inac-
 tion, ladies who value a clean, pure, healthy
 body will take Dr. Pierce's Favorite Prescrip-
 tion—the only remedy for woman which being
 once used is always in favor.

To those about to become mothers, it is a
 priceless boon, for it lessens the pains and
 perils of childbirth, shortens labor, promotes
 an abundant secretion of nourishment for the
 child and shortens the period of confinement.

Dr. Pierce's Pellets cure biliousness, con-
 stipation, sick headache, indigestion, or dys-
 pepsia, and kindred diseases.
