

6. An insurance or other financial security shall not satisfy the requirements of this article if it can cease, for reasons other than the expiry of the period of validity of the insurance or security specified in the certificate under paragraph 2 of this article, before three months have elapsed from the date on which notice of its termination is given to the authorities referred to in paragraph 5 of this article, unless the certificate has been surrendered to these authorities or a new certificate has been issued within the said period. The foregoing provisions shall similarly apply to any modification which results in the insurance or security no longer satisfying the requirements of this article.

7. The State of the ship's registry shall, subject to the provisions of this article, determine the conditions of issue and validity of the certificate.

8. Nothing in this Convention shall be construed as preventing a State Party from relying on information obtained from other States or the Organization or other international organisations relating to the financial standing of providers of insurance or financial security for the purposes of this Convention. In such cases, the State Party relying on such information is not relieved of its responsibility as a State issuing the certificate required by paragraph 2.

9. Certificates issued or certified under the authority of a State Party shall be accepted by other States Parties for the purposes of this Convention and shall be regarded by other States Parties as having the same force as certificates issued or certified by them even if issued or certified in respect of a ship not registered in a State Party. A State Party may at any time request consultation with the issuing or certifying State should it believe that the insurer or guarantor named in the insurance certificate is not financially capable of meeting the obligations imposed by this Convention.
