Sir Arthur Currie,
McGill University,
Montreal.

Dear Sir Arthur:

Referring to the McGill Honour
Roll Book.

Could you let us have the copy
within the next day or two of the Preface?
I take it that McGill will want these books
for Convocation this spring. That is really
why I am making a personal appeal to you to
let us have this Preface copy. All the
other copy has been in for some time and
owing to the special binding on these books
it takes a long while to bind them, and we
are anxious, therefore, to get right ahead
with the rest of the work so that we will
have sufficient time to give the binding the
necessary attention before delivery. If
you could let us have this by Wednesday at
the latest it will surely help us a great
deal.

Yours very truly,

W. W. Southam
