

## Second Class, or Colonist, Sleeping Cars

Are run on this line instead of the ordinary second class cars. They are handsomely finished in light woods, on the general plan of ordinary sleeping cars. They are bright and pleasant, and so comfortable that they are largely used by first-class passengers in making short trips. **No extra charge is made in these cars.** Colonists can procure mattresses, curtains and blankets suitable for the e cars from the Company at following prices, viz. :—  
Mattresses, 75 cents each ; Blankets, 80 cents each ; Pillows, 20 cents each ; Curtains, 75 cents per pair, at MONTREAL, ST. MARTIN JUNCTION, OTTAWA, NORTH BAY and FORT WILLIAM.

## The Civility and Attention

Of the employees of the Company are spoken of by every traveller on the line. The cleanliness of cars and stations is also noticed. These two points are, next to safety, most carefully watched by the management.

## Safety,

Every appliance of proven value, calculated to secure SAFETY, has been adopted on this line. They are too numerous to mention, but they include an elaborate guard system at all bridges, Cooke's patent SAFETY switch at all turn-outs from the main track—the only SAFETY switch in use in Canada, and the only one that will with certainty prevent derailment from a misplaced switch. Especial care has been taken to make the heating apparatus on trains entirely SAFE, and the oil used in lighting the cars is manufactured expressly for the Company, and is SAFER even than candles, while it affords a most brilliant light.
