

Spring. MARCH begins on Friday.

—there is health in the clear cold breeze,
And a sound of joy in the leafless trees;
And the sun is pale, yet his pleasant gleam
Has wakened the earth, and unchain'd the stream;
And the soft west wind, oh! it gently blows!
Hasten to follow, pale lady primrose!
And hyacinth graceful, and crocus gay,
For we have not met this many-a-day.
Follow us, follow us! follow us then,
All ye whose home is in grove or glen:
Why do ye linger? Who else is coming,
Now spring is awak'd with the wild bee's humming?
