BALL LEAGUE TANGLE STRAIGHTENED.

AUBURN, N.Y., March 24.—The board of arbitration of the National Association of Professional Baseball Leagues to-day decided that the "Three-I League" officially the Indiana, Illinois and Iowa League, shall continue as constituted during the season of 1910. The decision as announced by Secretary John H. Farrell, eliminates Quincy, Ill., as a member of the league, and sustains the contention of Waterloo, Iowa, for membership. An immediate meeting of the league is ordered to prepare the schedule for the 1911 season.

The "Three-I." tangle has interested baseball circles for a long time. The four clubs forming the southern part of the circuit favored breaking away, forming a new six-club league, and taking in Quincy and Decatur. When this failed, four clubs, claiming to be a majority, met and cast out Waterloo, Iowa, and substituted Quincy, IR. The clubs forming the northern part of the old circuit also announced a plan to break away from the others, intending to form another six-club league, and taking in Cedár Rapids and Clinton.

None of these plans provided or Water-None of these plans provided or Water-loo, Iowa, and that club made an ener-getic protest to the board of arbitration, and carried the matter to the Illinois courts, where it was held that the club was illegally ousted.

Entries Promise to Be of an Exceptional Character. It begins to appear as if the forthcoming horse show, to be held under the auspices of The Canadian Horse Show Association, in the armories,

from April 25 to 29, will be on a scale worthy not only of the coronation year, but also to be considered the best both in quality and number yet held. From every direction information is coming to hand of extra preparations being made for the event. In particular, the hunting and jumping classes promise to be extra strong. It is understood that Hon. Adam Beck, who has been appointed one of the directors of the big international show at Olympia, will bring down twenty-three, and Hon. Clifford Sifton and Captain Sifton are expected to be represented by no fewer than thirty. Aemilius Jarvis will probably have eight. H. C. Cox will rival Mr. Sifton with thirty. J. B. Kilgour will probably have twelve, and Dr. Webster of Ottawa eight.
