### Boston Fans Want To see Joe Wood Win The Leading Game

BOSTON, Oct. 14 .- Altho tentative plans for a reception to the Red Sox as world's hamnions were in the making here today, Boston fans were not greatly disappointed tonight over their team's defeat in New York.

"It only delays the result of the series and the reception to the Red Sox as champions of the world by one day," said Mayor John Fitzgerald, who had been directing plans for the reception, as he heard the result of the game at the edge of a bulletin board crowd.

The baseball enthusiasts of the city look to tomorrow's game at Fenway Park with Joe Wood pitching for Boston, to decide the series in Boston's favor. Even before today's game, fans who gathered to hear the bulletin reports said freely that they did not "care much whether Boston wins today or not," and that they would be better pleased to have the series decided in Boston and to see Joe Wood pitching before the home crowd for the first time in the series, get the honor of twirling the final game.

Reserved seat tickets for tomorrow's game were placed on sale at Fenway Park late today. A small crowd rushed to the grounds just as soon as the game was over and it was definitely known that the teams would play here tomorrow. The offices were kept open until late tonight.

"Things might have been a little different had Collins been sent in from the first," remarked Manager Stahl, "but it was a dark day, the kind that just suited O'Brien's fast ball. But O'Brien didn't get the "breaks' and we will have to try to end the series tomorrow."

"We have made the start and we expect to finish it up," said Manager McGraw tonight before leaving for Boston. "By winning tomorrow's game we can put Boston on the defensive and that clear the defensive and that the fast game with the Rabberlin offices at 5 'St. George by allowing them to participate in the Square, Huddersfield.

GORDON-MACKAY FIELD DAY

The greater portion of the 300 employes of Gordon, Mackay & Co., Limited, gathered at the Stadium, Handan's Point, Saturday afternoon and held their third annual field day. Starting at 2 o'clock, a spectacular indoor-outdoor baseball match took place between the Travelers and the Warehouse, and after a hard struggle the latter team won by the close score of 5 to 7. The manager of the Travelers' team, Jay Kelley Wildfong, caused much merriment during the course of the game by his funny antics, while J. H. Ganzel Douglas, manager of the Warehouse boys, gained a real reputation as a rooter.

The games began promptly at 3 p. m. and every one of the 15 events was closely contested. The ladies' tack race was the source of much laughter and resulted in many bruised fingers. In the tug-of-war the department meneasily pulled the shipping-room husk-les over the line. During the course of the afternoon luncheon was served on the lawn and the cameraman secured several good photographs. The following were prize winners:
