UNIVERSITY ATHLETES MADE THREE NEW RECORDS

McGill Wins Inter-College Championship With 58 Points—Toronto Made 37.

Montreal, Oct. 20.—The seventh annual intercollegiate meet was held on the McGill campus to-day, and, despite unfavorable weather conditions, proved quite a success. The different events were well contested. McGill's representatives carried off the honors, scoring 58 points to 37 for Toronto and 4 for Queen's University. McGill thus retains the intercollegiate championship. Three college records were broken—the half-mile, broad jump and high jump. Owing to darkness, two events—the pole vault and the team contest—had to be postponed. Following are the results:

100 yards dash (record 10 2-5 seconds)—M. J. Carney, McGill, 1; E. McCuaig, McGill, 2; W. Barber, Toronto, 3. Time 10 3-5 seconds.

Half-mile run—J. C. Kemp, McGill, 1; I. S. Fairty, Toronto, 2; Gamble, McGill, 3. Time 2 min. 2 4-5 seconds. Record.

Putting 16-lb. shot (record 37 feet 10½ inches)—H. Gillis, Toronto, 1; J. DeG. Leubien, McGill, 2; J. McNab, McGill, 3. Distance 36 feet 10½ inches.

High jump (record 5 feet 5¼ inches)—O. S. Waugh, McGill, 1; G. Barber, Toronto, 2; R. E. Powell, McGill, 3. Height 5 feet 7 inches. Record.

Throwing discus (record 110 feet 5 inches)—J. DeG. Beaubien, McGill, 1; I. C. Gaudier, Queens, 2; A. M. Young, McGill, 3. Distance 104 feet 5 inches.

The Parkdale Albion intermediates are requested to meet at the King Edward Hockey Rink at 2 o'clock: Durrant, Moore, Williams, Barker, Matthews, Roden, Moore, Crane, Smith, Alexander, Bragg, Bostill, Holdsworth, Banks, Wilson, Refause.

The Parkdale Albions will play the Scots to-day at Stanley Park at 4 p.m. The following players will please meet at the club room at 3.30 p.m., rain or shine: Armstrong, Wheeler, Robinson, Snyder, Brown, Perkins, Stewart, Ellerby, B. Brown, Neale, Woodward, A. Robinson and Bragg.

Stratford Beat Clinton.

Clinton, Oct. 20.—Stratford defeated Clinton to-day by 21 to 0 in a junior O.R.F.U. game. The defeat of the home team was chiefly due to their inexperience, it being their first game.

DOINGS OF VARSITY LIT.

Will Discuss Proposed Change of University Name Later.

The Varsity Literary Society will discuss the suggestion thrown out by Provincial Secretary Hanna, who presided at their opening meeting, that the name of the university should be changed to "University of Ontario." During the brief discussion last night the consensus of opinion seemed to favor the present cognomen. The discussion was cut short by a motion that the matter be threshed out later on, when the members will have had time to think it over.

The election of first year representatives on the executive council will be held at the next meeting two weeks hence.

The theatre visit will not take place on Hallowe'en as in former years. The experience at the Princess last year has evidently provoked the change. Other events decided on are the arts dinner, arts dance and mock parliament. There will also be an evening of debate under the Cambridge system.

No dates were decided upon for the above events.

THINK NAME WAS CONNORS DETECTIVE GREER'S CLUE

Two Women of That Name and One of Them Resembles Barton Murder Victim.

Hamilton, Oct. 20. — (Special.) — Detective Greer and the local officers are more than ever impressed with the belief that the victim of the Barton murder was a woman who went under the title of Mrs. O'Connor, or Connors. They have discovered that at least two women went under that name, and that one of them, resembling the victim very closely, was in the city and on the mountain the day previous to the discovery of the crime.

Scent a Hold-Up.

Only one tender for the job of printing the voters' list was received by the city clerk. It was at the rate of 60 cents an inch, and was from The Spectator Printing Company. As the city has been getting the work done for 28 cents an inch, the aldermen think that the printers have entered into a combine to hold up the city. The city printers will be asked to submit figures, and unless they give a lower rate, printers outside the city will be asked to tender on the job.

E. J. Haines says that the suspension of the National Bank will not prevent the building of the Hamilton, Ancaster and Brantford Railway.

Mrs. Jennie Clarkson has obtained a divorce from her husband, William Clarkson.

The authorities say that the man who pleaded guilty to stealing sheep under the name of Fred Cress is really August Hammer, who has done time for similar offences.

Magistrate Jelfs this morning dismissed the two charges brought against F.R.Close of the Duncan Lithographing Company for importing alien workmen. He said that if any offence was shown it was against the company, and not Mr. Close, and he held that corporations and companies could be prosecuted as well as individuals.

The windstorm did a lot of damage to-day. Many trees in all parts of the city were blown down, and windows and skylights were smashed.

Dr. Claude Freeman, a former superintendent of the City Hospital, will leave Saturday for China, where he has been appointed to a hospital at Chunking, Province of Szechuan.

To Prevent Flooding.

This afternoon the sewers committee put thru an important scheme to prevent flooding. It will cost something like $22,000 to provide over-flow sewers, and the ratepayers will be asked next January to vote the necessary money. It was agreed to leave over the proposition to furnish a sewer system for the east end annex until the manufacturers of that district show their interest in the project by agreeing to pay for the cost of sewers under the local improvement plan. Of the $4100 allotted to the committee for sewers, all but $50 is spent.

To Save Orange Hall.

The Orangemen held a mass meeting to-night, and took steps to save their new hall from passing out of their hands.

The wind storm to-day blew down part of the wall of the new Catholic Church on the corner of Sherman-avenue and Barton-streets. The church is in course of erection, and it is being constructed of cement.

Defective wires caused a fire in the ceiling of the East King-street branch of the Bank of Hamilton to-night. The loss will be small.

The Trades and Labor Council agreed this evening to do something towards aiding the project of establishing a sanitarium for consumptives. A special committee was named to settle the lines upon which the aid will be given. The Labor Day committee reported a balance.

Hon. J. W. St. John, Speaker of the local legislature, delivered an address on "Success" to the young men of Wesley Church this evening, Rev. T. E. Shore, pastor of the church, presiding.

Trafalgar Celebration.

Col. George T. Denison was the principal speaker at St. George's Society's Trafalgar Day celebration this evening. His subject was "What Nelson's Victory Meant to the British Empire." He declared that it gave Britain command of the seas, and enabled her to spread her influence over all parts of the world. She had maintained that supremacy ever since. "And it hasn't cost Canada one cent," he added. He said that Canada should not be like a sponge, absorbing all the benefits, and contributing nothing towards the cost. It was high time that she was doing her share. His remarks were heartily applauded. The society has increased its membership from 400 to 850 during the year, and the members expect to reach the 1000 mark by Christmas.

The Toronto Daily and Sunday World delivered to any address in Hamilton before 7 a.m.: daily, 25 cents a month: Sunday, 5 cents per copy. Hamilton office, Royal Hotel Building. Phone 965.

TOWED INTO HALIFAX.

Barque Orion Deserted by Crew on Ocean.

Halifax, N.S., Oct. 20.—(Special.)—The steamer City of Exeter, Capt. King, bound from Swansea to New York, arrived in port yesterday afternoon with the barque Orion in tow. She was sighted 150 miles south-southeast of Halifax on Wednesday night. The steamer bore down on her. It was seen that she was deserted. A crew consisting of the chief officer, boatswain and three seamen were put on her, and preparations made for towing. Her sails were all set, and the pumps were in good working order.

The Etruria, which arrived at New York Tuesday, reported the Orion, and also took off her crew, they wishing to abandon her. The Orion's destination was St. John, N.B.

SHEA WAS BADLY HURT.

Bones Broken Owing to Fall From Street Car.

With an armful of parcels John Shea, an employe of the Toronto Electric Light Company, was thrown to the pavement heavily yesterday, breaking his left arm and dislocating his shoulder. Before he was admitted to the Emergency Hospital he had lost considerable blood and he was quite low last night. The accident happened at the corner of Manning-avenue and Queen-streets. The car did not stop at Manning-avenue and the man attempted to alight in order to go to his home at 63 Clarence-street. When he struck the pavement the bones of his arm collapsed and broke thru the skin. Until the arrival of the ambulance Shea was in danger of losing his life thru bleeding.

Death of R. H. Ramsay.

One of the oldest citizens of Toronto, Mr. Robert Hamilton Ramsay, died early yesterday morning at his home, 32 Homewood-avenue. Altho he had been ill for some months, he was able to be up and around the house, and his death was unexpected. Mr. Ramsay was actively connected with Central Methodist Church for 39 years, and for nearly that time was a member of the quarterly official board. He was 71 years of age, and came from Scotland 54 years ago. He took an active interest in the military, and served in the Fenian raid. He was associated with the Royal Arcanum, United Workmen and Masons. His widow and two sons, Frederick E. of Calgary, and R. H. of the Toronto Lithographing Co., survive him.

BLAIR THROWS UP HIS JOB ILL-HEALTH IS THE CAUSE

Says He Has No Intention of Re-Entering the Political Arena Just Now.

BLAIR OUT OF POLITICS.

Ottawa, Oct. 20.—(Special.)—Hon. A. G. Blair this evening denied the rumor that he is to re-enter politics.

"I haven't decided to do so; in fact, I have not given the matter serious consideration," was his statement to your correspondent when interviewed on the matter.

"But I presume you sometimes feel that you would like to be into political life again," was suggested.

"No, I have not felt that way yet," was the reply of the former minister of railways.

Hon. A. G. Blair has resigned his position as managing director of the Toronto Roller Bearing Co., and will leave shortly for a trip to France in company with R. I. Henderson of the Henderson Roller Bearing Co. The object of the trip is partly for business, but principally to recuperate Mr. Blair's health, which was the real cause of his retiring from the active duties of his position. He has not been himself since July last, when he had a serious attack of grip.

When he joined the Toronto Roller Bearing Co. at the time of his resignation from the railway commission, Oct. 18, last year, he signed a two-year contract with the company. In view of his ill-health the board of directors released him from his obligation, but it is understood he will not entirely severe his connection.

His business associates say he has no intention of returning to the political arena, but will practice law in Ottawa.

In regard to his retirement Mr. Blair said: "In August last I intimated to my fellow-directors my wish to retire, because the position was one which took me a great deal from home, and it was out of the question for me to move to Toronto. Moreover, I had a serious attack of grip, which incapacitated me for some time, and prevented me from giving that attention to the duties of the office which I deemed to be necessary. The verbal intimation I gave was afterwards followed by a written resignation."

POWER MEN AGREE.

Ottawa, Oct. 20.—(Special.)—Representatives of Ottawa and Hull power interests, which for several weeks have been fighting over the division of water power here, reached an agreement to-night. They agree to jointly construct a new dam to cost $40,000 and to divide the power of the Chaudiere equally. The government is to be asked to go on with its scheme for conserving and regulating the power of the Upper Ottawa.

Fell on Sidewalk.

Too Small.

College President: That won't do. As long as we're going to accept tainted money, we must have enough to pay for the damage to our reputation.

Wire In.

Simple: I can't understand why all the girls are so fond of that beastly little tinkly instrument—what do you call it?—the mandolin?

The Cynic: Plain enough, dear boy; it's because there's a man in it.
