NIAGARA FALLS NOTES.

Will the Queen Victoria Niagara Falls Park Commissioners be Allowed to Sell Electric Power?

Niagara Falls, Ont., Nov. 1.—(Special.)—Providing the deputation from this place which waited upon the Ontario Cabinet Friday is successful, and legislation is passed to grant the commissioners of the Q.V. N.F. Park power to sell water-power for electricity over the lease held by the Cataract Construction Company, the old horse-car line running between this place and Niagara Falls South may probably be transformed into an electric road. The Q.V.N.F. & R.R. has at present 1000 horse-power of electricity to sell, and it is probably in the interest of this company that the deputation is working.

The changing of the horse-car line has long been agitated, but it will not likely become a reality until an economic means of electrical power is afforded.

A number from this place took in the big Republican demonstration at Buffalo this afternoon.

The team race between the Owl Bicycle Club and the local club has been postponed until Wednesday afternoon.

East End Items.

On Friday evening St. Clement's Church had its harvest festival, and the service was repeated yesterday.

To-morrow evening a first-class concert and entertainment will be given in St. Clement's schoolroom.

At St. Matthew's Church, yesterday being All Saints' Day, there were special musical services, Master Norman Swanston acquitting himself exceedingly well in the solo parts in the Anthems.

A special appeal has been made by the rector of St. Matthew's for $1200 within the next three weeks. On Sunday evening next Dr. Langtry will preach in the church on the validity of Anglican orders.

Mr. Percy Miles has been appointed organist and Mr. Frank Summerhayes choirmaster at St. Clement's.

On Saturday evening forty members of the Riverside Football Club celebrated the success of the club in winning for the third successive year the senior and intermediate city championships, by an oyster supper at the club headquarters, 77 Hamilton-street. A very pleasant evening was spent and a deal of musical talent unearthed. The members subsequently went up town and had a jolly time.

Little York.

A very pleasing ceremony took place at the residence of Mr. W. Bessey on Luttrell-avenue on Saturday evening, when Mr. A. Morris, lately of the G.T.R. roundhouse at York, but now engaged in business in Hamilton, was presented with a handsome easy chair in recognition of his successful work as Assistant Superintendent of the East Toronto Baptist Sunday school. Mr. Morris came down to the village to see friends, and was greatly surprised at the reception given him. The recipient's genial wife was also presented with a parlor rocking chair.

The oil lamp in front of E. Jones' store exploded late on Friday night, and the blaze that followed partly consumed the lamp-post.

Blaze and Accident at Georgetown.

Georgetown, Ont., Oct. 31.—About noon to-day fire damaged the residence of Mr. Wm. Forgraves at Glenwilliams to the extent of $200; no insurance.

During the exertions of the citizens to put out the fire, Mr. Ben Williams fell off the roof, receiving severe injuries, including a fracture of the ankle.

Parmalee's Vegetable Pills, taken before going to bed, for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have in stock."

TORONTO CHURCH SCHOOL.

An Institution for Boys That is Carefully Fostered — Prize-Winners at Sport and Study.

The annual commencement and distribution of prizes of the Church School took place Friday afternoon at 3 o'clock and was a decided success. The school house was crowded with friends and patrons of this excellent institution of learning for junior boys, showing the estimation in which the people of Toronto hold the school. Some of the best students in our colleges and universities receive their early training here. This year the attendance is greater than ever before and the prospects are decidedly bright. The success of the institution is greatly due to the indefatigable efforts of the rector and head master, Rev. T. L. Aborn, who has associated with himself a most able staff of instructors, who are doing their utmost to send forth from the school noble, manly boys, trained both intellectually and physically to meet the greater demands in the higher colleges. In this respect mention is also due Mr. W. H. Lockhart Gordon, who has had the school's interests at heart for some time, and who has had much to do with its success.

His Honor Lieut.-Gov. Kirkpatrick occupied the chair, and with him on the platform were: The Bishop of Toronto, Bishop Sullivan, Canon Sweeney, Dean Rigby, Prof. VanderSmissen, Principal Parkin, Revs. T. W. Paterson and C. H. Low, W. H. Lockhart Gordon and many others.

The Bishop of Toronto opened the proceedings with a short but pointed address, in which he spoke of the place such a school occupied in Toronto. He was followed by Rev. T. L. Aborn, who spoke of the prosperous outlook for the future and the work done. He called attention to the fact that A. C. McDougal, who won first place in the R.M.C. examinations, got his early training at the school, and F. W. Calloway, who matriculated in McGill with such high honors, was a former student. A school magazine had been started under the management of A. H. Rolph for the first time.

CHICAGO GOSSIP.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

Northwestern receipts were smaller to-day, 936 cars, against 1232 cars last year.

Corn and Oats—Both cereals ruled dull and within a narrow range, ¼c. Cash situation fair. Local receipts 486 cars corn and 332 cars oats.

Provisions—A better feeling was exhibited to-day, prices ruling higher on all articles, pork selling at $8, Jan. Receipts were less than estimated, 11,000 to-day, with 31 estimated for Monday. The mark
