NEWS AT THE HAGUE.

The Hague, June 2.—The news of the conclusion of peace in South Africa was received here with very mixed feelings. While there is general satisfaction that the war is ended, unfavorably expressed in the loss of Boer independence, the delegates here are in a particularly trying position. It has been learned, upon good authority, that the British government at the last moment refused to allow the Boers in South Africa to communicate with their leaders in Europe; thus the delegates on the Continent were entirely shut out of the negotiations, and were left in the lurch even of the terms of surrender, except as they learned of them through the newspapers. A Dutch official referring to the news from South Africa, said: "The delegates made a great mistake in not complying with the urgent wishes of the Dutch government at the time of the overtures made by Dr. Kruger, the Premier, which was that they apply for safe conduct to South Africa."
