The Queen City Fire Insurance Company, of which Mr. Hugh Scott is president, and Mr. Thomas Walmsley, vice-president and secretary, has declared a dividend of 50 per cent. on the subscribed capital stock, payable Sept. 7. about \$15,000.

The Queen City Fire Insurance Company has had a remarkably successful record. Organized in 1871 with a subscribed capital of \$100,000, of which 10 per cent, was paid up, the stockholders have since received yearly dividends of 10 per cent, on the amount paid up and in addition special distributions sufficient to now completely pay the balance on the stock. For an original investment of \$100, stockholders have now \$1000 worth of paid-up stock, besides having received the regular yearly dividends of 10 per cent. This is a fine showing, and shows what experience and careful attention, such as has been shown by the managers, Messrs. Scott & Walmsley, can do.

Sacred Music To-Morrow.

The performance at Hanlan's Point is attracting large crowds to the free open air theatre. There will be only this afternoon and evening to see the O'Briens in their wonderful gymnastic feats. The sacred concerts which have been arranged for to-morrow afternoon and evening will doubtless prove as successful as those given on the preceding Sundays. The concerts will take place at 3 and 8 p.m. Both programs will be different. Miss Belle Barsons, the noted lady baritone, will sing several solos at each concert. Next week, there will be lots of fun made by the German comedians, Royer and French. Lola Fawn will sing the newest ballads. The Sully Family will make everybody laugh with their funny sketch, "An Interrupted Honeymoon."
