OF INTEREST TO WOMEN

THE CHILDREN AT THE GATE.

I say that the world is bitter-sweet,
And its fortunes come too late;
But twilight falls, with the pattering
Of the children at the gate.
And I know, whatever my toll may be,
Their arms, in the evening, will neck-
lace me!

I say that the world has stormy skies,
And faintly the sad stars shine;
But night brings stars when the chil-
dren's eyes
Look tenderly into mine;
And I know, whatever my toll may be,
Those eyes are welcoming lights to me!
—Frank L. Stanton.

The Fairy's Well.

There are two matters of interest to women in Chaucer's old new play, "Ragged Robin," appearing for three days of this week at the Princess. The first is the origin of the name. The play was written by Mrs. Olcott and was so named because the hero always carries in the lap of his coat a bunch of "Ragged Robin," which is the flower known in America as "bachelor's button," or "corn flower," and sometimes "Ragged Robin."

But most interesting is the "Fairy's Well." The legend runs that if a lad and lass drink of the water they will sooner or later wed. The scene shows the well and the fairies and the hero sleeping under the trees. A lass comes to drink. She drinks, too, but a rival exists. The rival and lass are married, but in a short time he dies and then as the fairies prophesied Ragged Robin and the widowed bride are joined in wedlock. It is a pretty play, full of lovely scenes and sweet music.

Coupon Matinee.

The World has made an arrangement with the management of the Majestic Theatre whereby the readers of this paper can obtain a big reduction in the price of admission to the popular playhouse at certain performances during this week and following weeks. Commencing with this morning's issue a coupon will be found on page 3, which, when presented by a lady at the box office of the Majestic with a payment of ten cents will obtain the best reserved seat in the house at the Tuesday, Wednesday, Thursday and Friday matinees.

At present there is a demand for amusement by many who are unable to pay high prices, and in order to make it possible for this large section of the community to see one of the many offerings at the local playhouses, the World has made an arrangement with the popular-priced theatre to meet the demand.

The coupon is published exclusively by The World, and no doubt will prove

Saturday afternoon Mr. Barnaby Nelson, pupil of Miss Marie C. Strong, the well-known vocal teacher, assisted by Miss Carolyn Beacock, soprano, and Miss Hope Wigmore, pupil of Mr. For-

syth, gave an interesting recital in the Nordheimer Concert Hall. Mr. Nelson's voice is a "robust tenor" of beautiful quality, which he uses with rare taste and intelligence, as was particularly demonstrated in the second and fourth group of songs. His clear enunciation was a real pleasure in itself, something, sad to say, not frequently heard on our concert platforms. No doubt a bright future awaits this very talented and promising young artist. Miss Beacock was quite deserving of the warm applause she received. She is the possessor of a powerful and sympathetic dramatic voice. Her florid work in the Handel number was excellent. Miss Hope Wigmore gave much pleasure by her artistic piano playing. A word is due Miss Madeline Thomson for the skilful manner in which she handled the accompaniments. The recital as a whole reflected great credit upon Miss Marie C. Strong, the teacher of Mr. Nelson and Miss Beacock.

Bermuda and the West Indies. It is becoming a yearly custom for a great many people to leave Canada during the winter months. Every season the same question is asked: "Where shall we go?" and in many cases it is left unanswered until some traveling friend suggests this place or that where one can get away from the cold and damp weather that is prevalent here. Of all the winter resorts Bermuda has without a doubt become the most popular, and it is surprising the number of people that go there, not only in the winter, but the whole year round. The Quebec Steamship Co. have for years been running and improving their service from New York to Bermuda and the West Indies, until now they have as fine, if not the finest, boats sailing to these southern Atlantic ports. Information will be cheerfully given at any time at the company's office, northeast corner King and Yonge-streets, Toronto.

NEW OFFICERS ELECTED.

Cobalt Township Changes to Officers Who Will Develop Property.

At the annual meeting of the shareholders of the Cobalt Township Mining Company, Limited, held at North Bay last week, a new board of directors was elected, consisting of: Eric H. Rose, London, England; Thomas Plunkett, New York; Rupert Simpson, Simcoe, and W. R. P. Parker, Toronto. The new officers of the company who were elected are: President, W. R. P. Parker; vice-president, Rupert Simpson; treasurer, E. H. Rose.

The reports of the managing director and of the manager of the mine were received.

At New York, incoming ocean liners were held up and dozens of ferry-boats delayed, inconveniencing thousands of commuters, by a dense fog that enveloped the bay yesterday.

Liquor for Medicine. An interesting case is coming up at Creemore to-day, where a doctor and a druggist, said to be brothers, have pleaded guilty to a violation of the Liquor License Act. An abnormal number of orders are said to have been issued for liquor for medicinal purposes under the clause of the act providing for emergencies.

Burglars Ransack Store. AVONMORE, Nov. 23.—Burglars broke into the Beaver Hall Store, A. O. Miller, proprietor, and ransacked the whole place. They carried off about two hundred dollars worth of goods, consisting of one dozen coats, gents' fur-lined coat, two or three suits of clothes, several ladies' fur collars, gents' gloves, razors, knives, etc.

You may buy good tea without being a tea expert. "Sakada" Tea is a delicious blend of the finest teas grown. Only solid worth could have sustained its reputation all these years.

THE SMYTH BRIDGE. Residents Think It is Too High Up the Stream.

That bridge over the Bear River at the town of Smyth, which is to give access between the eastern and western portions of the town, is higher up the stream than the residents wish. The government engineer decided that the public interest would be best served by constructing the bridge at the narrower part of the stream at the southern boundary of the town. The cost there is estimated at about \$1500, and a contract has been let.

The residents are objecting, however, and want the bridge at the wider point on the stream in the centre of the town, where the cost would be \$4500.

The new road to Gowganda has been laid out to meet the southern bridge. This road meets the ferry from Elk City across the Montreal River at the junction of which and Bear River Smyth is situated.

POG ACCIDENTS AT PITTSBURG. PITTSBURG, Nov. 23.—The dense fog in this city to-day resulted in the death of a well-known woman art teacher, who was killed by a train; the serious injury of a prominent business man, several street car accidents and almost demoralized railroad schedules.

At New York, incoming ocean liners were held up and dozens of ferry-boats delayed, inconveniencing thousands of commuters, by a dense fog that enveloped the bay yesterday.

Liquor for Medicine. An interesting case is coming up at Creemore to-day, where a doctor and a druggist, said to be brothers, have pleaded guilty to a violation of the Liquor License Act. police are very slow

At Least That is What Rev. Robt. Brown Thinks—Conditions Deploable

Rev. Robert Brown dropped in at the city hall yesterday to complain that no action has been taken by the morality department to suppress certain alleged dens of vice about which he wrote to the mayor two weeks ago.

He says conditions are deplorable on some streets and that he could show the police forty questionable resorts in two or three hours. "I intend to keep at the police until something is done. The great trouble is that some of the officials in the police department are drawing big salaries and doing nothing," he says.

John Weldon's butcher-shop at Sherold, was burned out at 4.30 a.m. yesterday; loss \$1200.

Boils and Pimples

Are caused entirely by the blood being in an impure condition, and the quickest and simplest way to get rid of them is to take a few bottles of Burdock Blood Bitters.

This purely vegetable remedy has cured thousands of cases of these painful and unsightly troubles during the past thirty years.

Mr. S. J. Weir, River-view, Ont., writes: "Last summer I had nineteen boils on my neck and back. I was off work for over two weeks. I took every thing I could think of but to no effect. I got a bottle of Burdock Blood Bitters and before I had used half the bottle the boils were gone. I took the rest of it, however, and I have not had a boil since."

Mr. W. J. Cran-don, St. Mary's, Ont., writes: "I was troubled with pimples on my face for a couple of years and tried a good deal of patent medicine, but they were not of much use. Finally I used four bottles of Burdock Blood Bitters and am now entirely cured."

For sale by all dealers.
