OF INTEREST TO WOMEN

This Gown Was Made for Queen Wilhelmina.

A gown "worth a king's ransom" is worn by Beatrice Beckley, leading woman with James K. Hackett in Sir Anthony Hope's romantic play "The Prisoner of Zenda." Miss Beckley appears in this gown in the coronation scene of "The Prisoner of Zenda," in which she plays the part of the Princess Flavia, and looks every inch a queen. And why not? Was not the gown made originally for Queen Wilhelmina of Holland, who ordered it for a court festival almost a year in advance? Before the gown was finished

colleto neck and makes a sort of sleeve band around the arm below the shoulder. It is in the exquisite workmanship that the price of the gown lies, as well as in the real gold and the gems, amethysts and sapphires, which stud the front at intervals. The regal-looking ermine cloak which Miss Beckley wears with it, though expensive, is not worth half as much as the gown itself. Strange to say, it fits the young English actress like a glove, and her figure must be identically the same as that of Wilhelmina of Holland. Darts were neither taken in nor let out, and every seam remained as it was in this wonderful gown, of which Miss Beckley is very proud. The young English actress is a beautiful girl of medium height, slender and willowy. Her face is a pure oval.

All's Well That Ends Well.

PHILADELPHIA, Pa., Feb. 2.—Miss Helen Maloney of this city, and Arthur Herbert Osborne of New York were married to-day by Rev. Stephen M. Lyons, in St. Catherine's Roman Catholic Church, Spring Lake, N.J., where Martin Maloney, father of the bride, has a summer home.

The marriage marks the culmination of a chapter of what may properly be termed an international romance. It began in October, 1907, when the social world was startled by the announcement that Helen Maloney had eloped from her father's palatial summer home at Spring Lake with Samuel R. Clarkson of London, who had been a guest in the home of Mr. Maloney, who is one of the wealthiest men of this city and prominent socially. Mr. Clarkson occupied a good social position in London, and it was understood that he was a suitor for Miss Maloney's hand.

Mr. Maloney finally located them in Europe and brought his daughter back home. In the meantime the discovery was made that Miss Maloney previously had gone through a marriage ceremony under assumed names before a justice of the peace with Arthur Herbert Osborne of New York, who was then a student in Princeton University. Action was started looking to the annulment of Miss Maloney's marriage to Osborne, which was granted on the ground that they had never lived together. Miss Maloney testified that she went through the ceremony only as a precautionary measure to save herself from the attentions of titled foreigners, who were regarded favorably by Miss Maloney's parents.

The limit of attendance has been placed at 250, and as a number of applications have been received for invitations and tickets, those members of the club who have signified their intention to attend are not secured. Their tickets should so arrange with the secretary or stewards without further delay.

FRUIT JUICES CLEAR THE SKIN

The skin mirrors faithfully the state of the blood, and the blood shows how well—or how badly—the liver, bowels, kidneys and the millions of tiny glands in the skin are doing their work. If these organs are not properly clearing out the waste matter, the blood will be poisoned and the skin sallow, "muddy" and sprinkled with pimples. Plenty of ripe fruit helps more than any other food to cure this condition, but even more effective, as well as less expensive, are "Fruit-a-lives." These are little tablets of concentrated fruit juices, combined in such a way as to many times increase their action on those organs that eliminate impurities. One or two "Fruit-a-lives" a day will keep the blood pure and give the skin the clear glow of health; 25c for trial size box—50c for regular size, for \$2.50. Dealers everywhere should have both sizes. If you are unable to obtain "Fruit-a-lives" in your neighborhood, they will be sent on receipt of price. Fruit-a-lives Limited, Ottawa.

A COMPLETED CATHEDRAL IS CHURCHMEN'S FAVOR

But There is Some Doubt About the Present Time Being Suitable for the Financing.

A number of prominent Anglican laymen have been approached by the World with regard to the suggestion of Bishop Dumoulin, made in his sermon at St. Alban's on Sunday morning, that the cathedral should be completed round these days. The answers were various. Almost all expressed the wish that something should be done to speed up the realization of the practicality of financing the undertaking at the present time. Sir Henry Pellett, however, it would be a fine thing if it could be done, but where is the money to come from? There is not too much ready money floating round these days.

Personally, I may say, I was opposed to the building of St. Alban's at the time of its inception, but now that it has been started and the work has grown up around it, I should like to see it finished. But, as I said before, how is the money to be raised? "If this is to be done at all, it must be done well. I do not think the \$250,000 suggested would begin to select the cost of financing the scheme, it would be slow work if numerous small subscriptions were to be depended on. But there were just as rich men in the Anglican Church as in any other. They could do it if they would, and he thought that if the scheme could be carried out, it would do their part to see the matter thru.

Frederic Nichols had not had time to give the matter sufficient thought to form an opinion. He would like to see it done, but he thought it was a very opportune time to proceed with the work. There was a large congregation at St. Alban's already, which it was difficult to house under the present conditions.

The nave should be built. It would be well, however, to proceed slowly. He thought that the wealthy men of the church would give largely, if the scheme were carried out. The churchmen outside the city should help, too, he thought, as they had a hand in the work, but that the preachers of that religion were constantly falling in their duty. He had found there, he said, a wide amount of sympathy with the man who felt the insecurity of his position, and he felt that the church should be a help to him.

Great Men Who Have Proved ZAM-BUK. Scientist, Analyst, Magistrate and War Correspondent All Testify.

Men and women great in point of knowledge, position and experience say that Zam-Buk stands superior to all other healing substances. Read the opinions of the following eminent men: Mr. C. E. Sanford of Weston, King's County, N. S., a magistrate, a School Commissioner, and Baptist Deacon, on my ankle, which had defied every other remedy tried during 20 years. It cured me in a few days, and I am recommending it to my fellow-men.

Mr. Frank Scudamore, the famous war correspondent, who has gone through twenty-nine battles, and whose despatches during the Boer war were so eagerly read from coast to coast in Canada, says: "Owing to the poisonous eye from an undergrowth penetrating a slight scratch, my legs broke out in ulcers. At one time I had seventeen deep holes in my left leg, into each of which I could put my thumb; and had fourteen similar ulcers on my right leg. Remedies after remedies failed to heal them, and I was well nigh worn out with pain and lack of sleep. Zam-Buk was introduced, and I am glad to say that it gave me speedy relief. A perfect cure of all the ulcers."

Dr. Andrew Wilson, whose reputation

Rosevelt Refuses \$10,000. WASHINGTON, Feb. 2.—President Roosevelt, in a letter to the attorneys for the administration, says that under no condition will he accept the legacy of \$10,000 left him by the will of Benj. Hadley, an East Somerville recluse, who died Dec. 15, 1907. The will disposes of property valued at \$100,000.

"Dairymaid's Social" in aid of the Georgina House Club will be held to-day at 8 p.m. in Broadview Hall, Spadina-avenue. There will be drills, choruses, solos, etc., and ice cream and candles on sale.

Mrs. A. C. Irwin, Markham-street, will receive Friday.

Palpitation of the Heart. One of the first danger signals that announce something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or again, there may be a most violent beating, with flushings of the skin and visible pulsations of the arteries. The person may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Millburn's Heart and Nerve Pills in quieting the heart, restoring the normal beat and imparting tone to the nerve centers, is beyond all question, marvellous. They give such prompt relief that no one need suffer.

Mr. Sylvester Smith, Hampton, N.B., writes: "I was troubled with palpitation of the heart and tried doctor's medicines, but they only gave me temporary relief. I heard of your Heart and Nerve Pills and bought two boxes and before I had used them I was completely cured and would recommend them to all similarly affected."

Price, 50 cents per box, or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

TORONTO MAN MODERATOR NEXT GENERAL ASSEMBLY

Presbytery Nominates Rev. Dr. R. P. McKay for the Position.

Toronto Presbytery yesterday nominated Rev. Dr. R. P. McKay, as their choice for moderator of the general assembly, which will meet at Hamilton in June. The nomination was proposed by Rev. Dr. Fraser and seconded by Rev. Dr. McLaren.

The moderator, Rev. James Murray, was appointed to extend greetings from the Presbytery at the annual meeting of the Cowan-avenue Church on Feb. 27.

J. K. Macdonald, convener of the general assembly, committee on the aged and infirm ministers' fund, spoke in support of the provision making the interest on all ministers to connect themselves with it. He stated that a revision of the rates would be submitted in June.

The matter of the removal of West Church to a new site was referred to a special committee, of which Rev. Dr. McLaren is convener, which will confer with the congregations interested and report to a special meeting of presbytery on Tuesday evening next at St. James' Square Church.

The Presbytery re-elected the Rev. James Murray moderator for the next six months.

It was decided to make no nomination for the chair of systematic theology in Halifax Presbyterian College.

At the luncheon at West Church, Rev. Canon Welch spoke on the fourteen sermons preached to him at the recent conference at the Labor Temple.

He thought that the wealthy men of the church would give largely, if the scheme were carried out. The churchmen outside the city should help, too, he thought, as they had a hand in the work, but that the preachers of that religion were constantly falling in their duty.

He had found there, he said, a wide amount of sympathy with the man who felt the insecurity of his position, and he felt that the church should be a help to him.

BLACK KNIGHT

STOVE POLISH

is a revelation to housekeepers. Nothing like it has ever been made before. It means less work, because it does not get on or brown, and is so easily applied. It means less work, too, because just a few rubs bring a bright, brilliant polish that always looks fresh and clean. It is cheapest, because you get a bigger can for the money.

If your dealer does not handle "Black Knight" send his name and loc for broad cast.

PLAINTS OF DRURYITES MAKE MAYOR FEEL WEARY

Deputation Brought Forward Same Old Arguments and His Worship Talked Plainly.

The chosen tribunes of the people are not allowing the board of control to forget that the unemployed problem isn't solved yet.

A. E. Drury et al dropped in upon the controllers yesterday and made known their wants once again. They required the use of St. Andrew's Hall next Tuesday morning, and that the city send a written reply to their requests; also as side orders, a new public bath, more work in parks and additional street sweepers.

Mayor Oliver said the city was doing more for the unemployed than any other city, that the associated Charities were investigating cases of want, and that some of the applicants refused work when it was offered to them. Mr. Drury asserted that the Associated Charities was composed of men opposed to the working classes.

The Victoria Industrial School was promised a grant of \$5000.

A deputation from North Downcourt asked the mayor on terms of a fixed assessment. The mayor told them they must come in unconditionally. No action was taken.

The sum of \$375,000 voted for Toronto Harbor improvements by the Dominion Government, for the purpose, says Government Engineer Sing, it will be devoted to completion of the western channel, extension of island protection and repairs to eastern piers. CONFESS TO BURGLARIES

Two Young Kingston Men Have Been Busy O'Nights.

KINGSTON, Feb. 2.—(Special.)—Reginald Lewis, aged 23, and Percy Pare, 27, the latter belonging to the army service corps, have confessed to Saturday night burglary at Ganouque, but they deny having been responsible for causing the subsequent big fire.

In addition, they second Lewis came to this city, the loot amounting to thousands of dollars. Much of it has been recovered. They will be sentenced Friday.

The police here found that the men had hired a livery and had been to Ganouque. They second Lewis and he admitted the fact. After being put thru a swearing he gave in.

ICE BRIDGE BURSTS

Great Slight at the Falls When Floods Pass Down.

NILAGARA FALLS, Ont., Feb. 2.—One of the greatest sights in ice jams probably ever seen, occurred yesterday in the chasm below the American and Horse Shoe Falls, about 10:30 o'clock this morning, when the great bridge of ice was carried away, and with it the half dozen refrigerators and souvenir shacks, the occupants of which barely escaped carrying off by the rushing water.

The ice from Lake Erie for the last few days has been flowing over the Horseshoe Falls in millions of tons, filling the river from the ice bridge almost to the base of the Horseshoe Falls. With a noise like cannon fire the ice was sent sauntering and in bergs some 50 feet high, moved down the river, testing the stability of the arch bridge piers.

The plan for the Mendelssohn Choir concerts will open to the public on Friday morning at 9 o'clock at Massey Hall. In view of the very large demand for seats the committee have engaged the Theodore Thomas Orchestra for an additional concert with the choir on Thursday, Feb. 11. For this concert the usual prices will prevail, viz., \$2, \$1.50 and \$1. A most brilliant program has been arranged, comprising some of the finest numbers in the repertoire of both organizations, and will in every respect equal the other successful series. Those who have been disappointed in securing seats for the other concerts will now have an opportunity to secure good seats for Thursday. There are a number of excellent seats still available for the Saturday concert, when Miss Augustus Galloway, pianist, will be the assisting artist.

S. S. Treasurer Disappears. ORANGEVILLE, Feb. 2.—G. H. Oopman, local agent of a sewing machine Company, left town suddenly two weeks ago, taking with him about seventy dollars belonging to St. Mark's Church Sunday School, of which he was treasurer only a couple of weeks, and also, it is stated, funds from the church. Those who have been disappointed in securing seats for the other concerts will now have an opportunity to secure good seats for Thursday. There are a number of excellent seats still available for the Saturday concert, when Miss Augustus Galloway, pianist, will be the assisting artist.
