PRICE OF MILK UP

Commencing yesterday the Toronto milk consumer will only receive 12 pint tickets for a dollar, or 15.66 cents per quart, which price the people will continue to pay till April 1, 1921. This new price is an advance of 1.18 cents a quart over the price paid last

year, at 13 tickets for a dollar, but this is due to the distributors having to pay 15 cents more to the producers for the eight-gallon can. The price of milk during the summer months of May, June, July and August was 14 tickets for a dollar, or 14.28 cents per quart. "At that," said Mr. Northgrave,

general manager of the City Dairy, "Toronto is getting milk cheaper than 10 cities in the United States of the same size as Toronto, where they have to pay 20 cents a quart during the summer." The quart in the States is about 22 oz., whereas the Canadian quart is 40 oz.

LITTLE GIRL KILLED BY A MOTOR TRUCK

Marion Terry, nine years of age, of 23 Hounslow Heath road, was killed almost instantly yesterday afternoon by being run over by a motor truck

driven by Arlof Golden, 16 years, of 116 Gilbert avenue. The accident occurred opposite No. 7 Hounslow Heath road, when the little girl ran from the sidewalk and caught hold of the truck between the front and rear wheels. Geo. Trutch, 117 Caledonia avenue, the owner of the truck, who was along with the lad, Golden, told

her to "beat it," and in releasing her hold she slipped, the hind wheel running over her neck. The truck was stopped in 18 feet, and the boy Golden rushed her to the office of Dr. Gillies, 1485 Lansdowne avenue, where she died shortly afterwards. Detective Alexander, of No. 9, made investigation and the driver was not detained.

LATE TOM WATSON IS LAID AT REST

Last Tribute Paid to Prominent Citizen and Football Editor.

"O death, where is thy sting? O grave, where is thy victory? The sting of death is sin, and the strength of sin is the law. But, thanks be to God, which giveth us the victory, thru our Lord Jesus," was the lesson from Corinthians read yesterday afternoon by Rev. Mr. McKenna at the funeral service held for the late Tom Watson, for many years football editor of The Telegram. Rev. Mr. McKenna recalled some of the conversations he, as spiritual adviser, had had with "Tom" and was glad to announce that the one whom they had come to mourn has his peace with Him.

The home at 2058 Davenport road was filled with friends of the deceased, including Mayor Church and Ald. Maguire, both of whom Mr. Watson had for friends. To the widow, Mrs. Mary Watson, his worship, the mayor, telegraphed early a message, in which he said: "Your husband was a very sterling and high type of citizen, who did a lot for the young men of the city. He had generous and endearing qualities, and was beloved by everyone who knew him."

Many beautiful floral tributes were received from individuals and football and other sporting associations. Among the large assemblage of those who paid their last respect to Tom Watson were many prominently identified in football circles. Some associates of the deceased who were present were President Tom Guthrie of the D.G.P. A.; Tom Robertson, donor of the Robertson Charity Cup; Alf. Beaton, registrar of the T. and D. F. A.; Bobbie Muir, secretary of the C. F. A., of which body the deceased was president up to the time of his death. The pallbearers were: J. L. Macan, crew of Parry Sound, formerly a director of the Toronto Scottish League; Tom Robertson, donor of the Robertson Charity Cup; Alf. Beaton, registration secretary of the T. and D. F. A.; Dan McNell, president of the Dominion Football Association; Norman J. Howard, president of the T. and D. F. A.; Dave Carey, William Watson and John Dryie.

SAVED FROM DEATH IN NIAGARA RAPIDS

Girl Rescued by Montreal Man Before She Was Swept Away.

Buffalo, N.Y., Sept. 1.—Miss Matilda Schoenert, Philadelphia, was plucked from certain death in the whirlpool rapids at Niagara Falls this evening, by Gordon W. Dunn, Montreal, who was severely cut in the rescue.

They were among the passengers on a gorge route trolley that was blocked at the edge of the whirlpool rapids by a fallen rock. The passengers got out of the car and were walking on the brink of the river. The girl fell over the slight embankment some 15 feet into the river, but caught and clung to a projecting rock. Dunn saw her danger and vaulted the embankment. He landed on a slight beach of rocks and cut himself severely on hands and head. Getting to his feet he seized the girl before she was swept away. Help was quickly at hand and the pair were taken back to Niagara Falls. Dunn, after his cuts were dressed, left the hospital. The girl is still suffering from shock.

SOLDIER INSURANCE COMES INTO EFFECT

Ottawa, Sept. 1.—The returned soldiers' insurance act, passed by parliament last session, came into effect today. Applications are now being received from returned soldiers who served in the naval, military or air forces of Canada in the great war or who was domiciled or resident in Canada on August 1, 1914, and served in any of his majesty's forces, or in the forces of any of the allied powers, may obtain life insurance under the act. The applicant must, at the time insurance is issued, be domiciled and resident in Canada. Widows of returned soldiers who have died after retirement are also eligible for insurance. Policies will be issued for a minimum of \$500 and in multiples of \$500 up to \$5,000.

Disability Is No Bar. All returned men are eligible for insurance whether of impaired physical condition or not. Should the policy-holder become totally disabled he is at once relieved from paying further premiums and the insurance is paid to him direct as an annuity. Policies may be taken out on several limited payment plans or for whole life, and premiums may be paid monthly, quarterly, half-yearly or annually.

NAME INVESTIGATORS FOR MOTHERS' PENSIONS

The consideration of applications for positions on the administrative staff occupied the members of the mothers' pension board at the meeting yesterday, at Jarvis street headquarters. Some 200 applications were received for the ten positions of investigators which are to be filled, and the following have so far been appointed: Miss Elizabeth King, of Ottawa; Miss Dorothy Parrincomb, of Toronto; Miss Elizabeth Rogers, of Toronto, and Miss Edna Storms, of Ottawa.

Over one hundred applications for the position of executive secretary were received, and the board selected those which in its opinion were most qualified, and is arranging for personal interviews. It is expected that the appointments will be made within the next few days. The number of applications for aid under the act is declared to be now in excess of 200.
